This book will do the same for you. **When Two Become One** Robert Pascoe, 2023-11-21 There are no chains strong enough to keep those bound who He has called to be set free. Everyone has a testimony, and testimonies never lose their power. This is our testimony of how God continued to pour out miraculous interventions in His predestined plan for our lives. This true account of one man's journey will merge with the next volume of one woman's journey. Together, they point us to the narrow road of oneness we all must choose if we desire to see God's perfect will in our lives and discover how two become one. Our combined journey portrays an impossible emotional roller coaster ride, yet all things are possible with God. From death contracts on our lives to being abducted, the road of miraculous transformations from our will to God's is quite staggering. This resulted in visitations from heaven, angelic interventions, and opened doors to freedom that only God could provide through His mercy, grace, and great love. This is a story of two individual storms turning into a hurricane for heaven.
