When Parents Text Sophia Fraioli, Lauren Kaelin, 2011-09-01 A collection of insanely funny texts between parents and kids When Parents Text is a surprisingly affecting window into the complicated time when parents aren't ready to let go and kids aren't ready to be let go The parents are well meaning but hopeless silly and a little corny and befuddled by the technology The kids are bewildered yet patient the perfect straight man And the authors two recent college graduates Lauren Kaelin and Sophia Fraioli have an unerring editorial instinct to select the funniest sweetest quirkiest most telling exchanges There's the revelatory Mom My fingers are saying words This is amazing The virtual scolding Dad I will deal with your sassy behavior when I get home Meanwhile have some fiber The autofill challenged Mom dig up some tadpoles on ur way homo Me ummm what Mom It autocorrected me I mean to say dig up some tadpoles on ur way homo 4 minutes later Mom PICK UP SOME TAMPONS ON YOUR WAY HOME The manically inappropriate Mom Woo Hoo Ruth died you know Uncle Lyman's wife BUT I have your Braves tickets and check on the table And the downright inexplicable Dad You could poop your pants in the yankee candle store and no one would know Launched as a website just last year www.whenparentstext.com is a phenomenon It receives 300 000 to 500 000 page views a day with features in The Huffington Post Entertainment Weekly College Humor and more When Parents Text includes the best of texts from the website plus more than 50 percent all new material never before published Includes an emoticon glossary and 16 page color insert of MMS texts multimedia messaging service aka bizarre photos from mom and dad It's the perfect gift for every text savvy kid to give to his or her parents *Play Among Books* Miro Roman, Alice_ch3n81, 2021-12-06 How does coding change the way we think about architecture This question opens up an important research perspective In this book Miro Roman and his AI Alice_ch3n81 develop a playful scenario in which they propose coding as the new literacy of information They convey knowledge in the form of a project model that links the fields of architecture and information through two interwoven narrative strands in an infinite flow of real books Focusing on the intersection of information technology and architectural formulation the authors create an evolving intellectual reflection on digital architecture and computer science **"I Understand... You Forgot to Say Goodbye"** Robert Pace, 2018-10-03 Alzheimer's is devastating to the afflicted person with no true cure in sight However your loved one will need all of the loving care and understanding you can deliver Using the most of each day as a good point and shaping the now strange world to become just a little bit more manageable for your loved one is key The challenges presented by the disease itself the challenges from your hurt feelings and the challenges of supporting family members as they deal with their feelings could be viewed as way too much to handle But using some of the reflective items in *I Understand You Forgot to Say Goodbye* will truly assist you on the journey with your loved one's situation or surely provide key points for a potential future situation you will be involved in with a loved one The parent's monitor David Barker, 1827 The Cursed Harper L. romantasy where The Magicians meets Gothikana Betrayal He was the deception waiting in the night the truth I never saw coming After a lifetime of manipulation I finally learned the truth I was his puppet even if I never saw my strings Even knowing how deep his betrayal runs I can t shake the undeniable connection between Gray and I the way a single glance from him sets my soul on fire We are not the same We re enemies poised to battle for the future of the very thing I d wanted to destroy With the Covenant gone the revenge I thought I wanted is no longer my priority The witches that remain played no role in my aunt s death and the only person standing in the way of righting those wrongs is the very man determined to keep me in his bed But the remaining members of the Coven will never forgive me for the role I played in their demise and subjugation and the worst part of all is that I can t even blame them for it I d been naive believing my own delusions of grandeur when destiny clearly had other plans for me Plans that had been set in motion centuries before my birth But even that had been a lie and now it is my duty to do everything in my power to undo it To protect my Coven from my husband s hatred no matter what the cost At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
