The Intern Installment: An Alpha Billionaire Romance Michelle Love,2020-04-06 Enjoy this bad boy book by Best selling billionaire romance author Michelle Love Damon I ran one of the most successful Architecture companies in the world well known to everyone in the business I was involved in every aspect of the daily activities though one of my least favorite parts was interviewing for interns every year It was something that came along with the company and a great learning tool for the students so I kept it as something we did I just typically left it to my managers who were more hands on with the teams to figure out who to hire out of all of the faces that we saw I started caring the moment that Elisa walked in the door She was everything that I didn't look for in a woman sweetness innocence and inexperience She was guarded and intelligent and I fought to keep her out of my company against the wishes of everyone else at that interview Mediated Intimacy

Meg-John Barker,Rosalind Gill,Laura Harvey,2018-02-27 Mediated Intimacy looks at contemporary sex and relationship advice exploring how our intimate lives are shaped through different media from manuals and magazines to television and Twitter By exploring how intimacy is constructed through different media texts the authors consider which ideas and practices these changing forms of sexpertise open up and which they close down The book reveals the intimate operation of power in mediated advice how words and images stories and sound can work to shore up social injustice It critically engages with the ideas of choice and responsibility in sex self help arguing that these can obscure and or justify oppression even if they re sometimes experienced as empowering and or pleasurable This bold and incisive book provides a radical challenge to the assumptions underlying the sex advice industry and presents a critical collaborative and consensual vision for sex advice of the future Adaptation in the Age of Media Convergence

The Case for Fanfiction Ashley J. Barner, 2017-08-07 Challenging readers to rethink what they read and why the author questions the aesthetic assumptions that have led to the devaluing of fanfiction a genre criticized as both tasteless and derivative and other guilty pleasure reading and writing including romance and fantasy The complicated relationship between fanfic and

intellectual property rights is discussed in light of the millennia old tradition of derivative literature before modern copyright law established originality as the hallmark of great fiction Absorbed reading the practice of immersing oneself in the narrative versus critically reading from a distance is a strong motive for the appropriation by fanfiction of canon characters and worlds
