Kingdom Life Bible: Joining God's Mission to Save the World (NKJV) Thomas Nelson, 2025-05-06 God is building His Kingdom through you Every person is part of a culture Communities workplaces schools families and churches all have a culture one shaped by the values we celebrate and practice God s kingdom has a culture too one shaped by values and practices that He reveals in His Word The Kingdom Life Bible invites you to explore the part you have to play in building a healthy kingdom culture a calling that you live out as you live in the presence of Jesus our Lord and King Discover the kingdom s values as you read Scripture See how God s kingdom power was at work in the time of the Bible s writing and continues to work today And develop Holy Spirit led life giving strategies that create kingdom culture and disciple the nations Features include Book introductions that explore how God s kingdom building power is seen in each book in its time and context and continues to be at work today Commentary notes exploring kingdom themes throughout every book of the Bible Sidebars highlighting 14 Kingdom Values throughout Scripture Sidebars exploring six Kingdom Foundations found throughout Scripture More than 20 theological articles exploring key themes of kingdom living Cross references Line matched two column typesetting Clear and readable NKJV Comfort Print *What is God's Mission in the World and How Do We Join It?* Juan Francisco Martinez, Jamie Pitts, 2021-03-30 What does God s mission look like Who is supposed to carry it out and how Juan F Mart nez and Jamie Pitts lead us on an inquiry into God s mission in the world what it is what it is not and who is invited to be part of it If Jesus is truly God s mission incarnate we need to look at what Jesus did and how he did it Mart nez helps readers understand what mission means why Christians in the past have made missteps and how we can learn from Christian communities that are spreading the good news of Jesus today Doing mission in the way of Jesus may look different from what many assume but it is a call that the church cannot afford to miss *The Missions and Missional Purpose of Ephesians* Timothy A. van Aarde, 2023-01-12 The purpose of the letter to the Ephesians is unknown The book suggests that the purpose of Ephesians is about missions and being missional The author of Ephesians committed the task of missions to the church The author located the mission of the church in the redemptive plan of God The redemptive plan oikonomia of God consists of historical epochs of missions the mission of Israel the mission of Christ the mission of the disciples the mission of the apostles and the mission of the church The term missional has been used ambiguously The existence of a distinction between the mission of the church and missional church is demonstrated and both expressions of mission are grounded in the biblical text of Ephesians The mission of the church is grounded in an exposition of Eph 1 3 and the missional church is grounded in an exposition of Eph 4 6 The author of the letter intended for the mission to the nations to be continued by the church this is the mission of the church He intended for the members of the church to continue to reach out to their local community this is expressed by the missional church The mission of the church has been grounded in the Great Commission The missional church is grounded in the values morals and lifestyle principles set out in Eph 4 6

The Neighborhood Church Robert G. Moss, 2014-09-16 The purpose of this book is to provide a theologically sound yet easy to use resource based on the image of God that can help congregations engage relationally in their neighborhoods Rather than using the neighborhood as a resource to help make congregations successful The Neighborhood Church contends that God places congregations in neighborhoods to help make neighborhoods successful in accordance with God's vision This book is intended as a resource for pastors and other church leaders who pour significant amounts of energy into their congregations but feel frustrated with the results The problem isn't with church leaders' energy or commitment On the contrary it's a lack of awareness as to how that energy and commitment can be channeled within God's call mission and movement This book is a crucial resource for congregations having difficulty navigating the treacherous waters of what it means to be successful according to God's vision

Ortiz, Manuel Böhm, 2023-08-15 Reconciling Practice and Theology What does reconciliation have to do with the work of missions In today's conflict ridden world the concept of reconciliation has gained traction and Christian missions is being rethought The whole world cries out for holistic transformation with eternal value and God's people are called to be his ambassadors Ambassadors of Reconciliation lays the groundwork for exploring a new paradigm for missions Divided into three parts the book first establishes the theological foundations of reconciliation The second part then shows how theory and practice go hand in hand Finally the third part uses case studies to highlight the importance of understanding brokenness conflict and culture for effective ministry in reconciliation The contributors challenge readers to consider the church's role in God's mission and how every Christian can become an envoy of his restoration work They emphasize the spiritual dimension of reconciliation and offer practical guidance for effectively engaging in ministry Whether you are a missionary pastor or someone interested in promoting restoration in the world this book provides valuable insights and tools for your journey

Leadership Mosaic Daniel Montgomery,Jared Kennedy,2016-10-13 There's a leadership crisis in the church Every leadership model claims to have all the answers to the challenges of leadership Each perspective emphasizes certain qualities and we search desperately for answers in the absence of clear direction But there's no simple leadership formula that meets every need we have in life and ministry Challenging the conventional wisdom about what makes for a good leader Daniel Montgomery calls us to a countercultural perspective on leadership rooted in our Creator He presents a new framework for leadership not just a beckoning to further pragmatism relentless productivity or a reactionary cultural fad He helps us see leadership as a mosaic of five characteristics conviction creativity courage collaboration and contemplation reflective of the very image of the triune God Armed with this perspective we will be able to see strive after and celebrate the great and complex vision of leadership God has called us to for the flourishing of our homes churches and workplaces
