While We Were Watching Downton Abbey:

While We Were Watching Downton Abbey Wendy Wax, 2013-12-31 When the concierge of The Alexander a historic Atlanta apartment building invites his fellow residents to join him for weekly screenings of Downton Abbey four very different people find themselves connecting with the addictive drama and even more unexpectedly with each other Cover flap

While We Were Watching Downton Abbey Wendy Wax, 2013-04-02 From the bestselling author of *My Ex Best Friend's Wedding* comes a novel about four friends who share a passion for a beloved British television show that will change all of their lives When the concierge of The Alexander a historic Atlanta apartment building invites his fellow residents to join him for weekly screenings of Downton Abbey four very different people find themselves connecting with the addictive drama and even more unexpectedly with each other Samantha Davis married young and for the wrong reason the security of old Atlanta money for herself and for her orphaned brother and sister She never expected her marriage to be complicated by love and compromised by a shattering family betrayal Claire Walker is now an empty nester and struggling author who left her home in the suburbs for the old world charm of The Alexander and for a new and productive life But she soon wonders if clinging to old dreams can be more destructive than having no dreams at all And then there's Brooke MacKenzie a woman in constant battle with her faithless ex husband She's just starting to realize that it's time to take a deep breath and come to terms with the fact that her life is not the fairy tale she thought it would be For Samantha Claire Brooke and Edward who arranges the weekly gatherings it will be a season of surprises as they forge a bond that will sustain them through some of life's hardest moments all of it reflected in the unfolding drama comedy and convergent lives of Downton Abbey *Adaptation in Visual*

Culture Julie Grossman, R. Barton Palmer, 2017-12-06 This book gathers together essays written by leading scholars of adaptation studies to explore the full range of practices and issues currently of concern in the field The chapters demonstrate how content and messaging are shared across an increasing number of platforms whose interrelationships have become as intriguing as they are complex Recognizing that a signature feature of contemporary culture is the convergence of different forms of media the contributors of this book argue that adaptation studies has emerged as a key discipline that unlike traditional literary and art criticism is capable of identifying and analyzing the relations between source texts and adaptations created from them Adaptation scholars have come to understand that these relations not only play out in individual case histories but are also institutional and this collection shows how adaptation plays a key role in the functioning of cinema television art and print media The volume is essential reading for all those interested both in adaptation studies and also in the complex forms of intermediality that define contemporary culture in the 21st century **The House on**

Mermaid Point Wendy Wax, 2014-07-01 In this new novel from the author of *Ten Beach Road* and *Ocean Beach* three unlikely friends who were thrown together by disaster get a do over on life love and happiness Maddie Avery and Nikki first got to know one another perhaps all too well while desperately restoring a beachfront mansion to its former grandeur Now

they're putting that experience to professional use. But their latest project has presented some challenges they couldn't have dreamed up in their wildest fantasies although the house does belong to a man who actually was Maddie's wildest fantasy once Rock and roll legend William the Wild Hightower may be past his prime estranged from his family and creatively blocked but he's still worshiped by fans which is why he guards his privacy on his own island in the Florida Keys. He's not thrilled about letting this crew turn his piece of paradise into a bed and breakfast for a reality show though he is intrigued by Maddie Hard as that is for her to believe as a newly single woman who can barely manage a dog paddle in the dating pool. But whether it's an unexpected flirtation with a bona fide rock star a strained mother daughter relationship or a sudden tragedy these women are in it together. The only thing that might drive them apart is being trapped on a houseboat with one bathroom.

A Week at the Lake Wendy Wax, 2015-06-23 From the USA Today bestselling author of *The House on Mermaid Point* comes a powerful novel about secrets loyalty and the bonds of true friendship. Twenty years ago Emma Michaels Mackenzie Hayes and Serena Stockton bonded over their New York City dreams. Then each summer they solidified their friendship by spending one week at the lake together solving their problems over bottles of wine and gallons of ice cream. They kept the tradition for years until jealousy lies and life's disappointments made them drift apart. It's been five years since Emma has seen her friends an absence designed to keep them from discovering a long ago betrayal. Now she's in desperate need of their support. The time has come to reveal her secrets and hopefully rekindle their connection. But when a terrible accident keeps Emma from saying her piece Serena and Mackenzie begin to learn about the past on their own. Now to heal their friendship and their broken lives the three women will have to return to the lake that once united them and discover which relationships are worth holding on to.
