Yoga Emmanuel Carrère, 2022-08-02 Named a Best Book of 2022 by The Guardian This is a book about yoga Or at least it was Emmanuel Carrère is a renowned writer After decades of emotional upheaval he has begun to live successfully he is healthy he works he loves He practices meditation striving to observe the world without evaluating it In this state of heightened awareness he sets out for a ten day silent retreat in the French heartland leaving his phone his books and his daily life behind But he's also gathering material for his next book which he thinks will be a pleasant useful introduction to yoga Four days later there's a tap on the window something has happened Forced to leave the retreat early he returns to a Paris in crisis Life is derailed His city is in turmoil His work in progress falters His marriage begins to unravel as does his entanglement with another woman He wavers between opposites between self destruction and self control sanity and madness elation and despair The story he has told about himself falls away And still he continues to live This is a book about one man's desire to get better and to be better It is laced with doubt animated by the dangerous interplay between what is fiction and what is real Loving humorous harrowing and profound Yoga hurls us towards the outer edges of consciousness where finally we can see things as they really are
