Towards a Messianic Jewish Theology of Reconciliation Richard Harvey, 2012-04-23 *Towards a Messianic Jewish Theology of Reconciliation* The Strategic Engagement of Messianic Jewish Discourse in the Israeli Palestinian Conflict Messianic Jews can play a significant part as peacemakers in the Israeli Palestinian conflict A theology and praxis of reconciliation is needed to address its political social psychological and theological dimensions Recent discussions of Palestinian and Israeli strategic proposals for conflict resolution provide a context in which a survey of Messianic Jewish understandings of the present conflict proposals to end it and the contribution Messianic Jews can make are analysed and evaluated Concluding proposals for the development of a Messianic Jewish theology of reconciliation include the need for hope and the development of intra group discourse that can engage strategically with other conflict partners **The Land Cries Out** Salim J. Munayer, Lisa Loden, 2011-10-21 Our theology does not exist in a vacuum but must relate to the world we inhabit and must influence our moral and ethical actions This is especially true when discussing theology of the land in the context of a violent territorial conflict The Holy Land has seen so much bloodshed that the earth itself is crying out to God The chapters presented in this book form a unique collection of voices speaking from different perspectives on the issue of the theology of the land These voices include Messianic Jewish and Palestinian Christian theologians and scholars who live in the Holy Land as well as others from around the world The various chapters reflect a wide spectrum of opinion and reveal how much disagreement still exists among followers of Christ However the dialogue generated by having these opposing voices side by side speaking to each other rather than past each other is encouraging This book is both challenging and inspirational and contributes in an

innovative way to this important discussion **Misunderstanding Galatians** M. I. Cha, 2021-09-16 This commentary on Galatians seeks to provide an originalist understanding of the epistle by viewing Paul as a Torah observant apostle of the Messiah who was arguing against compulsory proselyte conversion into Pharisaic Judaism and not the Old Testament law of God in general As such this commentary pays closer attention to the perpetuity of the Old Testament law of God Paul's nuanced use of law *nomos* Jewish oral tradition and the historical context of gentile proselyte conversion in Paul's time The goal of this commentary is to combine the strengths of evangelical hermeneutics and recent advances in Pauline studies to arrive at a more accurate understanding of the original author's intended meaning within his own historical context **Acts:**

Keener, 2015-10-06 Highly

respected New Testament scholar Craig Keener is known for his meticulous and comprehensive research This commentary on Acts his magnum opus may be the largest and most thoroughly documented Acts commentary ever written Useful not only for the study of Acts but also early Christianity this work sets Acts in its first century context In this volume the last of four Keener finishes his detailed exegesis of Acts utilizing an unparalleled range of ancient sources and offering a wealth of fresh insights This magisterial commentary will be an invaluable resource for New Testament professors and students pastors Acts scholars and libraries The complete four volume set is available at a special price **At the Foot of the Mountain** Joshua

M. Lessard, Jennifer M. Rosner, 2021-06-09 Where does a relatively young movement turn for identity and direction when it straddles the fence between two competing major religions Messianic Jews have done something that for centuries was considered untenable Like Christians they have embraced Jesus as the divine Messiah but they have refused to surrender their place within the Jewish people How compatible are these two sides of Messianic Jewish faith Can Messianic Jews participate as full members in both the body of Messiah and the people of Israel Can they be led by the Holy Spirit that Jesus

promised while also following the rulings of the Jewish sages Did Jesus affirm rabbinic authority or does that authority now lie elsewhere within the new covenant In this volume Messianic Jewish rabbi Joshua Lessard and Messianic Jewish scholar Jennifer Rosner debate the path forward for Messianic Judaism as it grapples with being the child of divorced parents the church and Israel Both Lessard and Rosner are committed to the success of Messianic Judaism though they put forth contrasting visions of what that means The discussion herein is unique and provocative not only for Messianic Jews but for all who have wrestled at the crossroads of Torah tradition and Spirit *The Wisdom of Alfred Edersheim* David Mishkin, 2008-10-02 Alfred Edersheim 1825 1889 was born and reared in a Jewish home in Vienna He was given a New Testament while studying medicine at the University of Pest Budapest and soon afterwards came to believe in Jesus as his Messiah He held several teaching positions in the United Kingdom before settling at the University of Oxford From 1882 until his death he was Grinfeld Lecturer on the Septuagint He is still considered a leading authority on Jewish life and customs in the time of Jesus He wrote many books on a variety of topics most famously *The Life and Times of Jesus the Messiah* *The Wisdom of Alfred Edersheim* includes hundreds of quotations from his various works many of which are rare and out of print Edersheim is remembered and loved for his devotional commentary as much as for his scholarship
