Treating At Home Remedies For Common Ailments:

Ayurvedic Cure for Common Diseases N. Anjneya Murthy, 1995 The book is written for the people who are interested in simple remedies to cure common diseases The treatments described in this book are based on the authors observations and clinical experiences for many years The preparations described here are from the ancient Ayurvedic texts Ayurveda is a science based on ancient Indian philosophy It can appropriately be called The Science of Living Ayurveda traces its etymology to Ayush meaning life and Veda which originates from vid or knowledge Popularly speaking Ayurveda can be defined as a medical science which helps the human body to keep fit while providing cures from indigenous plants animal products and minerals for ailments Thus being essentially a science of healing it concentrates on what is required to lead a healthy normal life It deals not only with what is to be done when one falls ill but also with what should be done to maintain one s health and vigour Ayurveda contains details about body care and the various foods and drinks which promote health Ayurveda is based on scientific principles of diagnosis and treatment It differs from conventional medicine in the basic principles of investigation and assigning causes to processes rather than specific areas of physiology This book comprises time tested concepts of regulated diet and a healthy lifestyle supported with remedies and treatments based on Ayurveda that are safe effective and affordable The Family Book of Home Remedies , 1998 Offers a down to earth practical guide to common ailments that you can safely treat at home using both conventional and complementary medicine Consultant editor contributes nutritional acupuncture and exercise advice as well as offering vital preventative tips aromatherapist herbalist homeopath **National Geographic Complete Guide to Natural Home Remedies** National Geographic, 2014 Discover over a thousand natural remedies for a variety of ailments including hiccups painful joints chapped lips and headaches The book also provides helpful tips for healthier living including how to fall asleep practice basic meditation clean vinyl floors and add nutritional value to foods *How to Treat Common Ailments of Farm Animals ...* Hoards's dairyman, 1928 **Ayush in Public Health** R.K. Mutatkar, 2016-01-01 The book in two volumes on AYUSH in Public Health from the perspective of Medical Anthropology addresses the issues of policy research with a view to formulate an integrated National Health Policy positioning AYUSH as the mainstream health care system being an aspect of Indian Culture The first volume has emerged out of a field project offered by Department of AYUSH Government of India during 2008 2009 to study the ground level position of AYUSH in four states of India as a sequel to the working group on AYUSH in Public Health for the XIth Five Year Plan Similar project in Rajasthan and NHSC undertaking studies in 18 States broadly following similar protocol has provided data for 23 States The book aims to present a national scenario of AYUSH practiced as traditional primary health care with little local traditions as reflected in home remedies and with the help of traditional healers and the projections under NRHM for mainstreaming and integration of plural systems of medicine The book presents evidence of people s indigenous knowledge and health care practices across the country which are validated as per the great tradition classics of

Ayurved Unani and Siddha systems Second volume as a Handbook to orient AYUSH personnel in epidemiological research with some case studies is meant for capacity building of public health and teaching faculty for advocacy based on scientific data Annexures in the book would help to undertake research in Do it Yourself mode The book is expected to create the need for National Institute of AYUSH in Public Health to be established in the public sector
