Voices Of Decolonization:

Voices of Decolonization Todd Shepard, 2014-07-18 This unprecedented volume shows how and why mid twentieth century decolonization transformed societies and cultures and continues to shape today's world The introduction explores decolonization as both a historical era and an aspirational movement A rich collection of primary sources combines the voices of the colonized and the colonizers in Africa Asia and throughout the world to recapture the intensity and variety of the independence struggles Organized chronologically and topically the documents reveal how and why formal decolonization once an unimaginable prospect to imperialists came quickly to seem inevitable Maps document headnotes a chronology questions to consider and a bibliography enrich students understanding of decolonization and its enduring consequences

Formisano, 2022-04-26 The Colorado River is in crisis Persistent drought climate change and growing demands from ongoing urbanization threaten this life source that provides water to more than forty million people in the U S and Mexico Coupled with these challenges are our nation's deeply rooted beliefs about the region as a frontier garden and wilderness that have created competing agendas about the river as something to both exploit and preserve Over the last century and a half citizens and experts looked to law public policy and science to solve worsening water problems Yet today's circumstances demand additional perspectives to foster a more sustainable relationship with the river Through literary rhetorical and historical analysis of some of the Colorado River's lesser known stakeholders Tributary Voices considers a more comprehensive approach to river management on the eve of the one hundredth anniversary of the signing of the Colorado River Compact which governs the allocation of water rights to the seven states in the region Ranging from the early twentieth century to the present Tributary Voices examines nature writing women's narratives critiques of dam development the Latina o communities appeals for river restoration American Indian authors and tribal nations claims of water sovereignty and teachings about environmental stewardship and provident living This innovative study models an interdisciplinary approach to water governance and reinvigorates our imagination in achieving a more sustainable water ethic **Indian Education for All** John P. Hopkins, 2020 John P Hopkins critiques recent efforts to reform Indigenous education in public schools He centers his critique on Montana State's innovative and

bold multicultural education policy called Indian Education for All IEFA and demonstrates why Indigenous education reforms must decolonize the curriculum and pedagogy to address the academic inequalities facing Native students Using tribal critical race theory and culturally sustaining and revitalizing pedagogy Indian Education for All proposes a shift in the ways teacher candidates learn about Indigenous education and instruct Native students It explains why teachers and schools need to privilege Indigenous knowledge and explicitly integrate decolonization concepts into teaching and learning to address the academic gaps in Native education This book will also help non Native educators to engage in productive and authentic conversations with tribal communities about what Indigenous education reform should entail A must read for educational justice across Indian Country K Tsianina Lomawaima School of Social Transformation Arizona State University This important highly accessible book provides a needed shift in stance whereby anti colonialism becomes a vital education project for all Teresa L McCarty GF Kneller Chair in Education and Anthropology University of California Los Angeles Hopkins offers important insights into the problems of paradigms of inclusion as an approach to educational policy change Megan Bang Northwestern University Empowering Settings and Voices for Social Change Mark S. and postdoctoral researchers **Hearts, Minds, Voices** Jason C. Parker, 2016-09-01 The Cold War superpowers endeavored mightily to win hearts and minds abroad through what came to be called public diplomacy While many target audiences were on the conflict's original front lines in Europe the vast majority resided in areas in the throes of decolonization and experienced the Cold War as public diplomacy as a media war for their allegiance rather than as violence In these areas superpower public diplomacy encountered volatile issues of race empire poverty and decolonization which intersected with the dynamics of the Cold War and with anti imperialist currents The challenge to US public diplomacy was acute Jim Crow and Washington's European imperial alliances were inseparable from the image of the United States and put American outreach unavoidably on the defensive Newly independent voices in the non European world responded to this media war by launching public diplomacy campaigns of their own In addition to validating the strategic importance of public diplomacy they articulated a different vision of the postwar world Rejecting the superpowers Cold War they forged the Third World project around nonalignment post imperial economic development and anti colonial racial solidarity In doing so Jason C Parker argues the United States inadvertently helped to nurture the Third World as a transnational imagined community on the postwar global landscape Tracing US public diplomacy during the early years of the Cold War **Hearts Minds Voices** narrates how US foreign policy engaged with and impacted the Global South and international history more broadly
