Treating Child Sex Offenders And Victims A Practical Guide:

Treating Child Sex Offenders and Victims Anna Salter, 1988-06 What forms of treatment are best suited for both the offender and the victim of child sexual abuse How does treatment of sex offenders differ from that of other clients *Treating Child Sex Offenders and Victims* offers treatment alternatives for offenders and victims of child sexual abuse Beginning with a concise overview which addresses both the prevalence of and responsibility for child sexual abuse Salter presents an assessment battery specifically chosen for its relevance to sex offenders Clinicians will find this a valuable and long overdue tool for measuring an offender's attitudes towards women rape myths cognitive distortions about child molesting social skills empathy and alcohol abuse In addition practitioners are presented with several methods to treat offenders including group therapy behavioral therapy cognitive restructuring and relapse prevention For those involved in the treatment of victims this insightful volume provides information on individual treatment ways of minimizing trauma in victims within the legal system and the use of and limitations of behavioral indicators of abuse Finally the importance of a therapeutic philosophy of treatment is emphasized and a philosophy is advanced which holds the offender accountable for his or her behavior Specialists in mental health psychiatry psychology and social work will find the practical suggestions presented in this volume indispensable for their own professional work *Treating Child Sex Offenders and Victims* is in essence the first how to do it manual for dealing with what is clearly one of the most vexing groups confronting therapists The advantages of this work over those that currently exist are many It is the most realistic of all of those works that I have seen it is the most practical by far and therapists of every description will be placing cases they have dealt with on every page Frank Bolton Private Practice Phoenix Arizona I believe this book will contribute significantly to the literature in this discipline I find particularly valuable and unique the emphasis on program philosophy and the differences between treating sex offenders and more traditional clients Further Dr Salter has integrated victim and offender treatment from both the clinical and educational perspectives a rare but needed approach The book is considerably enhanced by Dr Salter's inclusion in the appendixes of hands on tools that will assist clinicians in implementing comprehensive program approaches Dr Salter has written a valuable book Fay Honey Knopp Director Safer Society Program Particularly useful for learning in detail about the difficulties of treating offenders She provides excellent summaries on identification of sexually abused children without skirting the problem of false reports especially in the context of custody evaluations Readings A Journal of Reviews and Commentary in Mental Health Offers an excellent guide to the practitioner The book is written in a concise and efficient manner and covers an issue of grave concern Given its nontechnical presentation of relapse prevention this book also provides a concise overview that many human services students would find helpful prior to volunteering or interning in the field It is an important addition for certain specialized groups including criminal court judges probation officers who supervise child sex offenders therapists victim counselors and social workers International Journal of Offender Therapy and Comparative

Criminology This manual is well written and presents relevant and useful material It provides the mental health professional with useful information and tools to assess and treat child sex offenders and their victims Family Violence Bulletin The usefulness of the book rests primarily in its articulation of the special dimensions of offender treatment in the provision of some very practical measures to assess offenders and in its suggestions to guide therapists through treatment and to develop relapse prevention programming Contemporary Psychology This essentially nuts and bolts book covers the occurrence of abuse philosophy and structure of treatment programs offender assessment and treatment and spouse and victim issues There are also 17 outstandingly useful appendices A genuinely practical book though theory is not ignored Journal of the Institute of Health Education

Sex Offender Treatment S. Margretta Dwyer, 1992 This important volume brings together findings in the psychological and medical treatment of sex offenders It disseminates research from experts around the world in the field of sex offender treatment making this knowledge available to researchers and clinicians everywhere Professionals struggling to find effective methods for treating their patients will find *Sex Offender Treatment* a valuable tool for their daily work Chapters in *Sex Offender Treatment* cover a variety of topics Authors examine such areas as psychodynamic and psychiatric disorders associated with the sex offender findings on pharmacologic interventions treatment techniques and the public perception of sex offender treatment and cautionary notes for those who provide therapy for sex offenders Within these areas some specific themes addressed include types of personality disorders and implications for more effective treatment the effectiveness of antiandrogen treatment and the promising results of other pharmacotherapies techniques for developing insight in incest perpetrators a study of adult male incest offenders perceptions of the treatment process an adolescent treatment program using a family communication approach hypotheses regarding sexual offenders and men who batter using psychodynamic and feminist theory Full of practical strategies and useful information *Sex Offender Treatment* is a book professionals will reach for again and again

Home Truths About Child Sexual Abuse Catherine Itzin, 2005-06-28 *Home Truths About Child Sexual Abuse* brings together the findings of research and clinical work by leading figures in the UK and USA It makes visible the prevalence of sexual abuse and exploitation of children by normal ordinary heterosexual family men both within and outside the family Comprehensive and multidisciplinary in approach it covers the many different aspects of child sexual abuse including phenomenology definitions and terminology epidemiology explanatory frameworks concepts and theory the contribution of radical feminism constructs classifications and typologies policy treatments multi disciplinary and multi agency work medical advice gender issues criminal justice The book provides the evidence and knowledge base necessary to begin to achieve effective prevention It offers professionals researchers and policy makers an invaluable source of reference and an informed basis for action

Treating Child Sex Offenders and Victims Anna Salter, 1988-06 What forms of treatment are best suited for both the offender and the victim of child sexual abuse How does treatment of sex offenders differ from that of other clients *Treating Child Sex Offenders and Victims* offers

treatment alternatives for offenders and victims of child sexual abuse Beginning with a concise overview which addresses both the prevalence of and responsibility for child sexual abuse Salter presents an assessment battery specifically chosen for its relevance to sex offenders Clinicians will find this a valuable and long overdue tool for measuring an offender's attitudes towards women rape myths cognitive distortions about child molesting social skills empathy and alcohol abuse In addition practitioners are presented with several methods to treat offenders including group therapy behavioral therapy cognitive restructuring and relapse prevention For those involved in the treatment of victims this insightful volume provides information on individual treatment ways of minimizing trauma in victims within the legal system and the use of and limitations of behavioral indicators of abuse Finally the importance of a therapeutic philosophy of treatment is emphasized and a philosophy is advanced which holds the offender accountable for his or her behavior Specialists in mental health psychiatry psychology and social work will find the practical suggestions presented in this volume indispensable for their own professional work Treating Child Sex Offenders and Victims is in essence the first how to do it manual for dealing with what is clearly one of the most vexing groups confronting therapists The advantages of this work over those that currently exist are many It is the most realistic of all of those works that I have seen it is the most practical by far and therapists of every description will be placing cases they have dealt with on every page Frank Bolton Private Practice Phoenix Arizona I believe this book will contribute significantly to the literature in this discipline I find particularly valuable and unique the emphasis on program philosophy and the differences between treating sex offenders and more traditional clients Further Dr Salter has integrated victim and offender treatment from both the clinical and educational perspectives a rare but needed approach The book is considerably enhanced by Dr Salter's inclusion in the appendixes of hands on tools that will assist clinicians in implementing comprehensive program approaches Dr Salter has written a valuable book Fay Honey Knopp Director Safer Society Program Particularly useful for learning in detail about the difficulties of treating offenders She provides excellent summaries on identification of sexually abused children without skirting the problem of false reports especially in the context of custody evaluations Readings A Journal of Reviews and Commentary in Mental Health Offers an excellent guide to the practitioner The book is written in a concise and efficient manner and covers an issue of grave concern Given its nontechnical presentation of relapse prevention this book also provides a concise overview that many human services students would find helpful prior to volunteering or interning in the field It is an important addition for certain specialized groups including criminal court judges probation officers who supervise child sex offenders therapists victim counselors and social workers International Journal of Offender Therapy and Comparative Criminology This manual is well written and presents relevant and useful material It provides the mental health professional with useful information and tools to assess and treat child sex offenders and their victims Family Violence Bulletin The usefulness of the book rests primarily in its articulation of the special dimensions of offender treatment in the provision of some very practical measures to assess

offenders and in its suggestions to guide therapists through treatment and to develop relapse prevention programming Contemporary Psychology This essentially nuts and bolts book covers the occurrence of abuse philosophy and structure of treatment programs offender assessment and treatment and spouse and victim issues There are also 17 outstandingly useful appendices A genuinely practical book though theory is not ignored Journal of the Institute of Health Education

Principles and Practice of Forensic Psychiatry, 2Ed Yasuhiro Monden, 2003-02-28 The second edition of this award winning textbook has been thoroughly revised and updated throughout Building on the success of the first edition the book continues to address the History and Practice of Forensic Psychiatry Legal Regulation of the Practice of Psychiatry Psychiatry in relation to Civil Law Criminal Law and Family Law Important [Social Work Practice with Children and Families](#) Francis K. O. Yuen, 2014-06-11 Social Work Practice with Children and Families presents the framework for family health social work and its applications in various practice environments This vital textbook provides a unique blend of academic deliberations and practical service guidelines with topics ranging from forensic social work and community practice to disability child welfare and HIV AIDS The book is organized into two major sections entitled Practice Interventions and Policy Programs and Emerging Families Case examples or discussion questions are included at the end of each chapter to facilitate more in depth understanding and discussion among graduate and undergraduate students professors and educators in health and human service areas To view an excerpt online find the book on our QuickSearch catalog at www.HaworthPress.com [Group Work with Populations at Risk](#) Geoffrey L. Greif, Paul H. Ephross, 2005 Group Work with Populations at Risk 2nd Edition is a fundamental book aimed at social workers and other mental health professionals interested in at risk groups with specific populations Accessible and practical as well as scientifically and theoretically sound the text provides a set of guidelines for social workers who are called upon to work with groups of people facing such issues as cancer AIDS addiction head injury divorce mental illness and abuse The second edition expands the scope of the book to additionally address the significant world developments that have affected them *Clinical Approaches to Sex Offenders and Their Victims* Clive R. Hollin, Kevin Howells, 1991-03-29 This work brings together a range of diverse but related material on the topic of understanding and treating sex offences dealing with both the victim and the offender Advocating a clinical approach to treatment it considers both theoretical and practical components Contributors from varied fields including psychiatry psychology and social work focus on three specific areas within their specialist fields empirical research theories built upon the data practical application of the research and theory Also provides a range of theoretical views and styles of clinical practice that are relevant to both offenders and victims **California. Court of Appeal (6th Appellate District). Records and Briefs** California (State)., Number of Exhibits 4 **Treating Child Sex Offenders and Victims** Anna C. Salter, 1998 [Field Guide to Child Welfare: Placement and permanence](#) Judith S. Rycus, Ronald C. Hughes, 1998 **The APSAC Handbook on Child Maltreatment** American Professional Society on the Abuse of Children, 2002 Praise for the First Edition An important

contribution to the field of child protection the editors have aspired to offer an encyclopedic overview of knowledge about child abuse and neglect The APSAC Handbook will serve as a reference for both practitioners and researchers in the various disciplines involved in investigation adjudication prevention and treatment of child abuse and neglect I have already cited several of the chapters in my own writing and I have found the book to be a helpful desk reference In short I have no qualms about strongly recommending the book to professionals and graduate students in child maltreatment Indeed I have circulated a copy that I purchased to several colleagues who I thought would find it useful Contemporary Psychology A resource of unparalleled thoroughness The ASPAC Handbook of Child Maltreatment Second Edition provides comprehensive interdisciplinary coverage of the causes consequences treatment and prevention of child abuse and neglect The Second Edition includes a thorough update of the original chapters as well as over 630 new references to literature that did not exist when the previous edition was published It also includes new chapters focusing on Munchausen by Proxy Syndrome Child Abuse in the Context of Substance Abuse Child Abuse in the Context of Domestic Violence Child Fatalities Risk Management for Professional Working with Maltreated Children and Adult Survivors Mental Health Services for Children reported to Child Protection Services Handbook for Sexual Abuser Assessment and Treatment Mark S. Carich, Steven E. Mussack, 2001 We have come to understand that for many sexual abusers treatment works if we can find the right combination of approaches The points of view represented here support the urge of treatment providers to keep looking for more effective approaches and provide a firm basis in current practice and the history of the field Editors and authors Mark Carich and Steven Mussack have created a reference that is practitioner oriented and refuses to shy away from healthy disagreement The Handbook for sexual abuser assessment and treatment provides the basic outline of treatment approaches and their justification the how and why of current practice It is an invaluable resource for any agency treating sexual abusers and taking on new practitioners Any debate engendered by this volume can only stimulate more effort enhancing our ability to assist the sexual abusers entrusted to our care Translating this opportunity into fewer victims in the future is what we are all about

Helping Strategies for Child Sexual Abuse Celia Doyle, 1995 The book also looks at what can be done during and after investigation to help children through a very difficult period the legal process is explained the role of the extended family in providing positive support to the child is considered and the stresses and pressures likely to be encountered by workers in this difficult field are examined *Handbook of Child and Adolescent Sexual Problems* George A. Rekers, 1995 No descriptive material is available for this title **The Use of the Polygraph in Assessing, Treating and Supervising Sex Offenders** Daniel Wilcox, 2009-04-20 This book presents an examination of the contribution that polygraph testing can make to offender treatment programmes with a particular focus on sexual offenders This book features coverage of a very timely issue the British Psychological Society has convened a working party to assess the contribution of the polygraph to forensic work *Incest* Adele Mayer, 1993 Polygraph, 2000 *House and Senate Documents* Virginia. General Assembly, 1993

The Sex Offender: Offender evaluation and program strategies Barbara K. Schwartz, Henry R. Cellini, 1995
