Trevor Chamberlain Light And Atmosphere In Watercolour A Personal View Atelier Series:

Trevor Chamberlain Trevor Chamberlain, Angela Gair, 2003 Trevor Chamberlain's watercolour paintings are a celebration of light and atmosphere and his skill in painting directly from nature to capture the mood of his subjects has earned him an enviable reputation among both amateur and professional artists Here Trevor Chamberlain offers a fascinating glimpse over his shoulder as he describes his approach to interpreting the effects of light and weather using the limited watercolourist's palette Mood in nature is his constant source of inspiration and his favoured subjects are marine town and landscape He particularly enjoys capturing the transient aspects of the English weather but he has also travelled extensively and enjoys the challenge of confronting the unfamiliar light and surroundings in exotic locations such as Egypt Iran and India An artist of the plein air tradition he always paints directly from nature at first hand an approach which he enthusiastically recommends to readers of this book
