Use Your Words A Writing Guide For Mothers:

Use Your Words Kate Hopper, 2012-04-02 **USE YOUR WORDS** introduces the art of creative nonfiction to women who want to give written expression to their lives as mothers. Written by award winning teacher and writer Kate Hopper, this book will help women find the heart of their writing, learn to use motherhood as a lens through which to write the world, and turn their motherhood stories into art. Each chapter of **USE YOUR WORDS** focuses on an element of craft and contains a lecture, a published essay, and writing exercises that will serve as jumping off points for the reader's own writing. Chapter topics include the importance of using concrete details, an overview of creative nonfiction as a genre, character development, voice, humor, tense, and writing the hard stuff, reflection, and back story, structure, revision, and publishing. The content of each lecture is aligned with the essay/poem in that chapter to help readers more easily grasp the elements of craft being discussed. Together, the chapters provide a unique opportunity for mother writers to learn and grow as writers. **USE YOUR WORDS** takes the approach that creative writing can be taught, and this underscores each chapter. When students learn to read like writers, to notice how a piece is put together, and to question the choices a writer makes, they begin to think like writers. When they learn to ground their writing in concrete sensory details and begin to understand how to create believable characters and realistic dialogue, their own writing improves. **USE YOUR WORDS** reflects Kate's style as a teacher guiding the reader in a straightforward, nurturing, and passionate voice. As one student noted in a class evaluation, Kate is a born writer and teacher, and her enthusiasm for essays about motherhood and for teaching the nuts and bolts of writing so that ordinary mothers have the tools to write their stories is a gift to the world. She is raising the value of motherhood in our society as she helps mothers build their confidence and strengthen their game as writers.

Mom's the Word, 2013-06-06 Heartwarming and humorous, this tribute to moms of the world gathers the best things anyone ever said about motherhood. From Dolly Parton to Dear Abby, women and a few men crack wise on the subject of the center of every family: mommie dearest. Mom's the Word celebrates all motherhood with wise and witty words from the famous. Oprah Winfrey: Mothers are really the true spiritual leaders. And the funny Erma Bombeck: In general, my children refuse to eat anything that hasn't danced on television. Also included are as well as thoughts that are meaningful Jewish proverb: God could not be everywhere, and therefore he made mothers. And memorable Nora Ephron: If pregnancy were a book, they would cut the last two chapters.

The Self-Care Solution, Julie Burton, 2025-07-30 Combining the thoughtful and expert narrative of a veteran mom of four children with the voices of hundreds of moms she surveyed, The Self-Care Solution offers insightful answers to poignant questions about how mothers take care of themselves, their relationships, and their jobs while raising their children, and how they don't. Here, mothers reveal their struggles with self-care and the consequences of neglecting themselves and their relationships, and share successful strategies to combat these issues. Each chapter also includes reflective self-assessment questions for mothers to gauge where they are from a self-care standpoint, as well as lists of tried-and-true tools they can employ to achieve more balance and ultimately more satisfaction within themselves and in their relationships. Inspirational yet practical, The Self-Care Solution will dramatically impact women who are navigating the critical responsibility of motherhood while attempting to stay true to themselves.

We Got This, Marika Lindholm, Cheryl Dumesnil, Katherine Shonk, Domenica Ruta, 2025-07-30 In the United States, more than 15 million women are parenting children on their own, either by circumstance or by choice. Too often, these moms who do it all have been misrepresented and maligned. Not anymore. In We Got This, seventy-five solo mom writers tell the truth about their lives, their hopes and fears, their resilience and setbacks, their embarrassments and triumphs. Some of these writers' names will sound familiar, like Amy Poehler, Anne Lamott, and Elizabeth Alexander, while others are about to become unforgettable. Bound together by their strength, pride, and most of all, their dedication to their children, they broadcast a universal and empowering message: You are not alone. Solo moms, your tenacity, courage, and fierce love are worthy of celebration.

The Painted Word, Phil Cousineau, Gregg Chadwick, 2012-09-18 WORDCATCHER Phil Cousineau illuminates the history and mystery of weird and wonderful word stories. To untangle the knot of interlocking meanings of these painted words, logophile and mythologist Phil Cousineau begins each fascinating word entry with his own brief definition. He then fills it in with a tint of etymology and a smattering of quotes that show how the word is used, ending with a list of companion words. The words
