prediction of the next flood is backed by errors in time measured by Mayans and Nostradamus Once a person is elevated to the vortex in quantum cone with zero weight gravity and when time stops in quantum reality then he or she will be able to be awarded with all possibilities to create or destroy The writer imitates the out of the box thinking of God but he is not comparing himself to cosmic intelligence He just uses the quantum energy in form of dark and light energy he calls Satan and God for convenience The examples are powerful and convincing The reader should not just observe the author's human encounters to get to quick conclusions It is a manual of how to think without fear Once the fear is eliminated the mind is open to deep into subconsciousness and to build the awareness where all possibilities are unrestricted and to rise to the sixth cosmic dimension God

Echos of the Everlasting Kyra Romanyshyn, 2025-04-09 The world is ending two brothers and a girl need to locate mystical items to stop the apocalypse The hourglass is on the brink of shattering our time in existence snuffed out like breath to a candle Yet most of us remain in blissful ignorance A mask that had since been torn from my face worlds unseen until I met the Elderwood brothers They were strangers but familiar they emanated danger yet I had never felt safer 666

items to locate 66 rituals to perform and 6 seals to break in 6 months or time is no longer We cannot fail humanity Serena his voice like steel If there was any hope for salvation we were walking a fragile line between crippling oblivion or pure retribution and the fate of life itself lay in our bleeding hands I was blind to my power until I was forced to fight and with the Elderwood brothers at my side I wouldn't go down easy The Collector's Protégé Glenn Rehder, 2022-11-17 Danny Sardano newly elected Sheriff of Tuolumne County has achieved his lifelong goal As a third generation resident in this rural community in the majestic Sierra Nevada Mountains his life seems perfect Then a serial killer decides to move from his hunting grounds in Tennessee to Sardano's jurisdiction a move that turns this normally peaceful tourist destination into Danny's worst nightmare The serial killer is known as the Face Collector and preys on women with auburn hair Former FBI agent Leonard Baskem's life has been upturned in the hunt for this mysterious killer He has no doubt that the Face Collector is still out there walking around a free man but many twists and turns lie in wait as he searches for the old murderer and a kid protégé The new sheriff decides he can't solve this case with the resources the county has available so he calls on an old friend from the FBI Now a horror decades in the making descends on a small town Who will come out the victor in a battle already scripted and crafted by the murderer
