Sectors of Mutual Benefit in U.S.-Soviet Relations Nish Jamgotch, 1985 A distinguished panel of analysts examines particular areas of U S Soviet cooperation crisis

communications trade science agriculture environment protection space and medicine The authors analyze agreements that the United States and the Soviet Union have revolved in their mutual interest agreements that all too often are overlooked in an atmosphere clouded by hostility and mutual distrust What they ask has been the history of these agreements Have they succeeded or failed How might they best be sustained and enlarged Without minimizing the enormous dangers of ongoing strategic military competition the contributors attempt to determine which sectors of U S Soviet relations have yielded the most significant mutual benefits They raise questions about where U S policy has gone wrong where it has been effective and how safe we are in forecasting the continuation of those cooperative relationships
