Utopia Boat Manual:

Utopia'S Suicide John Paul,2013-12-12 Having one foot in North America and one in Europe the author inevitably compares these two continents their surroundings their people and their modus vivendi The interpretation of happenings on these continents as they relate to one life s adventure is the scope of this work which is before everything else a collage of personal biography illuminated by flashes of the remarkable historical moments preceding the emigration There are moreover interpretations of impressions colored with romantic enchanting mysticism and alternatively subjective impressions of immigrants who came to America to find a better life and expected to some extent to find a promised land on a platter In either case impressions are based on predispositions of what immigrants from the old country envisioned American to be like However gratia is not a prerequisite it does not exist in the meaning of emi nor immi gratia Is this memoir an unprejudiced evaluation and objective notation of experiences as they were or a biased overflow of emotions ridicule and sarcasm or delight and adornment What is the difference between autobiography memoir and diary versus a fictitious rather historical novel in the first place A degree of deviation from factual reality A conglomerate relatively dry when transferred onto paper this cacophony without regard to categorization may enlighten the mind of one American or one potential immigrant by informing or reforming the picture of the mirage of a once magical New World or the romanticism of the Old One

The Liveaboard Guide Tony Jones,2019-07-11 The romantic dream of downsizing giving up the rat race and living life at 4mph on the inland waterways is proving more and more attractive But for tens of thousands of people it is not just a romantic dream but an actual lifestyle Tony Jones is one of those people He has lived aboard his 50ft narrowboat for over 14 years and in this very practical book he documents what the liveaboard lifestyle is really like focusing on the practical issues of day to day living for those who want to know what living on a boat actually entails to see how to manage it for themselves Topics covered include the pros cons and costs of a residential mooring power usage and energy consumption and how it differs from a house how to stay warm the choice of coal electric gas or wood heating boat loos the pros and cons and troubleshooting typical problems entertainment TV radio internet DVDs logistical problems no postal address GP access vehicle access or use This second edition has been comprehensively revised to include updated or new information on costs moorings license insurances etc license fees for different types of craft composting toilets and ecological living in general living aboard in London and other cities suddenly very popular postal services boat stretching butty boats and so on as well as more anecdotes and profile stories about liveaboard life The aim of this book is to feed people s dreams by showing that every possible problem that could arise when living on a boat has a tried and tested solution The dream is perfectly possible and this book is the complete practical guide to achieving it
