Tristan Finch Jacqueline Spencer, 2017-10-12 One of the heirs to the British throne has just suffered a terrible boating accident. The Royal Family is the lead story in every newspaper and on all television channels as the world watches with great anticipation captivated by this terrible story. Will Prince James survive? American Jennifer Dressen 28 is living in London working for a large British daily paper. One evening her elderly neighbor insists on speaking to her. I'm dying. And I have to tell the truth about something. Something that happened many years ago. Something so big it will. Her voice trailed off. Then she seemed to gather what strength she had left and announced I can't die like this. With no one knowing what I know I have to share it. It is vitally important. Jennifer's dream is to be an investigative reporter and after hearing the old woman's story she thinks this could be the one that gets her there. As she begins her research to find out if the woman's fantastic tale is true she meets the man of her dreams a handsome solicitor who lives with his younger sister a woman with special needs. In short order Jennifer finds herself deeply in love. But fate deals her a challenging blow during her research when she is forced to take measure of herself and answer a simple question is she willing to sacrifice happiness in her personal life for success in her professional one. Because the story she is about to break will rock the world with new revelations about the Royal Family. And forever change the life of the man she loves. In London American Jennifer Dressen 28 works for a large British daily paper. One evening her elderly neighbor insists on speaking to her about the prince. I'm dying. The Ghost in the Curve Violet Howe, 2016-10-11 Sloane Reid has never believed in ghosts even though she made a career out of playing a ghost slayer on film. When the studio tells her at twenty-nine she's too old to be a scream queen Sloane retreats to her aunt's remote Florida cabin to figure out what comes next. Her trip is anything but relaxing when she encounters Chelsea a young girl who died near the cabin thirteen years ago. Chelsea is desperate for Sloane's help to reveal the truth that haunts her but Sloane can't solve the mystery alone. She needs to ask for help from local deputy Tristan Rogers which means she'll have to convince him she's not crazy. Or a criminal. As Sloane and Tristan unlock the secrets of the past the stakes grow higher for them both and soon Sloane finds it may be her own life that needs saving. *The Amorous Restoration* Andrew J. Counter, 2016-09-22 When Louis XVIII returned to the throne in 1814 and again in 1815 France embarked upon a period of uneasy cohabitation between the old and the new. The writers of the age who included Chateaubriand Stendhal Balzac and Mme de Duras agreed that they lived at a historical turning point a transitional moment.

whose outcome though still uncertain would transform the French way of life beginning with the French way of love The literary works of the Bourbon Restoration ceaselessly return to the themes of love sex and marriage partly as vital cultural questions in their own right but also as a means of critiquing the deficiencies of past regimes negotiating the politics of the present and imagining the shape of the political future In the literature of the Restoration love and politics become entwined in a mutually metaphorical embrace The Amorous Restoration the first book in English devoted to literary and cultural life under the last Bourbon kings considers this relationship in all its richness and many contradictions Long neglected as a drab historical backwater the Restoration emerges here as a vibrant era one rife with sharp cultural and political disagreements and possessed of an especially refined sense of allusion discretion and even humour Drawing on literature journalism political writing life writing and gossip The Amorous Restoration vividly recreates the erotic sensibilities of a pivotal moment in the transition from an amorous old regime to erotic and political modernity *The Origins of French Romanticism* Margery B.
