

Introduction

Welcome to the iThenticate User Manual. iThenticate provides plagiarism prevention services to publishers, corporations, law firms and other professional establishments around the world.

This user guide provides a thorough explanation about iThenticate from its features to a comprehensive walkthrough about its use. Account administrators have the ability to manage users within an account, click [here](#) to view the Administrator Manual.

New Users

First time users will receive an email from their iThenticate sales representative with a username and a one-time password. The username you receive will be the email address you provided to your iThenticate sales representative. You may only log in once with the one-time password and you will need to change it the first time you log in. For information on how account administrators add users to an account, please click [here](#).

Logging In

Once iThenticate has been purchased and you have received an email from your iThenticate sales representative containing your username and password, then you can login to iThenticate.

To login to iThenticate first click on the *Login* button at www.iThenticate.com.
