Taking Action on Adolescent Literacy Judith L. Irvin, Julie Meltzer, Melinda Dukes, 2007-06-15 Literacy lies at the heart of student understanding and achievement Yet too many educators mistakenly assume that the reading writing speaking and thinking skills that students developed in elementary school are sufficient for the sophisticated learning tasks they face in middle and high school The result Disappointing test scores high dropout rates and students unprepared for higher education citizenship and the world of work Taking Action on Adolescent Literacy An Implementation Guide for School Leaders presents a structured approach to using literacy as a lever for overall school improvement Literacy instruction is not an add on authors Judith L Irvin Julie Meltzer and Melinda Dukes insist it's an ongoing essential All adolescent students no matter what their level of achievement can benefit from direct instruction in reading writing speaking and thinking And all secondary school leaders can improve students literacy and learning by following the five action steps outlined in this book 1 develop and implement a literacy action plan 2 support teachers to improve literacy instruction 3 use data to make curricular decisions 4 build capacity for shared leadership and 5 creatively allocate resources to support the literacy plan The book also offers strategies to help educators integrate literacy and learning across the content areas provide targeted interventions for students who are struggling the most and develop a supportive school environment that involves parents community members and district leaders Practical tools helpful resources and vignettes based on the authors extensive work in school

districts nationwide make this an indispensable guide for principals central office administrators literacy coaches department chairs and other school leaders committed to helping students succeed Creating Literacy-Rich Schools for Adolescents Gay Ivey,Douglas Fisher,2006-03-15 We know that literacy is the key to learning in school yet millions of middle and high school students lack the literacy skills they need to succeed What can educators do In Creating Literacy Rich Schools for Adolescents authors Gay Ivey and Douglas Fisher make a compelling case that all teachers across the content areas have a role to play in students development of literacy which they define as reading writing speaking listening and viewing Rather than focusing solely on reading instruction and the cliché that says all teachers are teachers of reading they urge teachers to incorporate rich literacy based learning experiences into their classrooms with the goal of helping students to learn and think across the curriculum With research based findings engaging examples and extensive lists of resources Ivey and Fisher encourage readers to Reexamine the materials experiences and expectations of the English language arts classroom Use strategies to improve literacy in all the content areas and seek alternatives to the traditional textbook Make independent reading an important part of students ongoing literacy development Design and use interventions that really work for struggling students and Consider the schoolwide elements professional development peer coaching leadership and assessment that should be in place to support teachers and students Essential questions provide the focus for each chapter and Quality Indicators for Secondary Literacy help readers gauge where they are on the continuum of providing a meaningful literacy experience for students Creating Literacy Rich Schools for Adolescents will inspire educators to take up this challenge in their own school with new confidence that the work is worthwhile and achievable Note This product listing is for the Adobe Acrobat PDF version of the book *Implementing Response to Intervention* William J. Donelson,Roberta W. Donelson,2009-06-01 Implement your Response to Intervention program with confidence using this easy to use practical resource Step by step instructions planning guides and suggested timelines are included to help you ensure fidelity accuracy and efficiency in implementing your RTI framework with this successful school and district tested model as your guide Key components of RTI and specifics of systems change approach are explained in an easy to implement format along with real life scenarios and sample models of other district RTI programs to help address common concerns and issues Templates and forms are provided on the accompanying Teacher Resource CD 336pp **Technical Report of the NAEP 1994 Trial State Assessment Program in Reading** John Mazzeo,1995
