Wading Into Chaos Inside The Life Of A Paramedic:

Wading Into Chaos Bob Holdsworth, 2012 It s raining and the reflections of the red and white lights are dancing off the buildings as we race down the wet streets Sirens are screaming a warning to the very few people who dare to walk the street at night We make a final turn and the scene comes into view There s a lone police car its light bar extinguished so as not to call attention to itself We follow suit and shut our lights and siren off as we approach In the center of the rain soaked street a crowd has gathered A woman is screaming being held up by friends or family A man lies crumpled in the middle of the road next to his wheelchair The cop looks nervous as we roll to a stop and exit the ambulance He s been shot a lot he shouts from about 10 feet away The decibel level immediately increases from the crowd of distraught onlookers We know we re going to have to work quickly to try to save the patient and get away from the scene for our own safety We grab the heart monitor oxygen trauma bag and the stretcher for the fourth time this shift and once again go wading into chaos Paramedics and EMTs are the front line of the world s emergency medical system and serve as eyewitnesses to some of life s most precious and equally most tragic moments *Wading Into Chaos* written by a veteran paramedic gives you a first hand real life glimpse inside the chaotic world of Emergency Medical Services Ride along and experience the emotions the frustration the sadness and the dark humor that accompanies responding to fatal car crashes 14 year old suicides inner city gang violence train accidents med e vac helicopter landings and the forgotten elderly who just need someone to talk to **Bookseller,**

The Way to Yesterday & Shades of a Desperado Sharon Sala,2015-07-20 Two favorite stories about love that never dies from New York Times bestselling author Sharon Sala *THE WAY TO YESTERDAY* What if you could turn back time Suddenly Mary O'Rourke can and so her husband and baby girl are alive and well Now she has to keep them that way But is this new life in which they are the family she'd always hoped they could be a dream Mary doesn't care For six years she prayed for a second chance and she isn't wasting a second of it *SHADES OF A DESPERADO* Night after night the visions kept Rachel Brant from sleep a hard eyed outlaw straight out of the old West claiming her as his woman Though she knew it was madness she longed for that dream to become reality Then in one stunning moment it was by a flesh and blood man who stirred her soul just as her dream lover had *Shades of a Desperado* Sharon Sala,2011-07-15 The lady loves the outlaw forever *A LOVE THAT WOULDN'T DIE* Night after night the visions kept Rachel Brant from sleep a hard eyed outlaw straight out of the old West claiming her as his woman taking her passion as his due And though she knew it was madness still she longed body and soul for that fevered dream to become reality Then in one stunning moment it was made real by a flesh and blood man who stirred her soul just the way her dream lover had And she had to accept the shattering truth that she and the mysterious Boone MacDonald were the reincarnation of two long ago lovers whose story had never been ended not even by death itself **The New Republic** Herbert David Croly,1925 **A Curious Mix of People** Greg Beets,Richard Whymark,2023-10-17 Ask anyone outside of Austin what they know about the city and chances are the first thing they'll mention is the music While the Armadillo Era has been well chronicled there is no book about Austin music in the 90s Greg Beets and Richard Whymark were part of the scene at that time making zines playing in bands and DJ'ing at the college radio

station and have put together an oral history of the decade Beets and Whymark are not trying to cover all of the music made in Austin during the 1990s they re most interested in the underground punk community in which they participated While a few of those bands got big e g Spoon the music remained mostly local DIY It was driven by live shows though local media radio TV print record stores and a few labels were also important to the story Beets and Whymark devote chapters to those elements but almost half of the chapters are based around a particular club Organizing the book around physical spaces is not only appropriate for telling the story of the music it is nice framing for the larger story of Austin As the authors note the city was still a relatively sleepy place in the early 1990s with vacant blocks downtown and loads of small clubs that opened and closed simply because music minded people wanted a place to play By 1999 longtime venues like the Electric Lounge and Liberty Lunch were bulldozed to make way for development and tech companies

"The Man Who Thought Himself a Woman" and Other Queer Nineteenth-Century Short Stories Christopher Looby, 2016-11-29 Perhaps it is no coincidence that the nineteenth century the century when it has been said sexuality as such and various taxonomized sexual identities were invented is the period when American short stories were invented and when they were the queerest Christopher Looby from the Introduction A man in small town America wears the clothing of his wife and sisters satisfied at last that he has a perfect suit of garments appropriate for my sex he commits suicide asking only that he be buried dressed as a woman A country maid has a passionate summer relationship with an heiress the memory of which sustains her for the next forty years A girl is carried by a strong wind to a place where she discovers that everything is made of candy including the queer people whom she licks and eats If these are not the kinds of stories we expect to find in nineteenth century American literature it is perhaps because we have been looking in the wrong places The stories gathered here are written by a diverse assortment of writers women and men obscure and famous Herman Melville Willa Cather and Louisa May Alcott among others Exploring the vagaries of gender identity erotic desire and affectional attachments that do not map easily onto present categories of sex and gender they celebrate mourn and question the different modes of embodiment and forgotten styles of pleasure of nineteenth century America
