Walk through the Bible with Me: A Practical Devotion Michael Slaughter, 2016-11-04 I have heard many people say I read my Bible but I just don't get anything out of it So I decided to share my Bible journal with my church in the hope that they would read through the Bible with me In the process I shared a lot of life and admittedly plenty of funny stories about my life and experiences I had to include them because I didn't want this to be purely an academic exercise I wanted it to be a practical devotion that touches real life While they were reading through with me many of them told me that I needed to get it published That's why it's sitting on the shelves today There are plenty of ways to read through the Bible I started out reading cover to cover for years From there I moved to a Chronological Bible plan Then one day a pastor friend of mine gave me a Life Journal It takes you through the Old Testament once and the New Testament twice throughout the year I like this plan because every day you get some of the New Testament Even if you don't decide to read this plan or my book please choose to read through the Bible some way God's Word in your life is what I pray for you
