some individuals who have been set free and my vision for the future This is not a book you just read for information or inspiration and then put on the shelf That is why I have included a Study Guide in the back After you have read through the book once go back through it doing the Study Guide together The result will be an active change in the way you live life every day A Thought On Generational Transfer Once your life begins to calm down with less rushing around and fewer distractions you will be ready to start writing your stories of God s faithfulness for the purpose of passing them on to your children All too often when we speak of an inheritance we are speaking of money property or material things I inherited my grandmother s bibles and books While I value my grandmother s bibles and books I don t have stories of her experiences and life lessons in her own words That would be a priceless heirloom I would own hold and pass along to my children and grandchildren I envision a day when our children will have books of their parents and grandparents stories of God s faithfulness **Chapter**

One Brother Roland, 2008-10-23 Warning It has been noted that anyone who reads and hears everything written in this book may result in changes in their understanding finances health and anyone around them This book was not written so you can read and hear about all the miracles God did for me On the contrary this book was written solely with the purpose of what God can and will do for you The instructions written in this book are not written so you can read and hear about how God answered my prayers needs and wants The instructions written in this book are all about how God can and will answer all of your prayers needs and wants today tomorrow and forever It wasn't until I took the time to read and hear God's instructions to make all of this possible and not impossible In Mat 19:26 God's word says With God all things are possible and my life has never been the same If you are not happy with the way your life is going or something has been missing and you can't quite put your finger on it You are closer than you think Your first step is this book in your hands and only you can change all of this right now I can't do it for you If you take the time to read and hear what God has in these instructions for you your life will never be the same I Love you in the Lord always Brother Roland **Walking with God** Modupe Sanusi, 2019-03-09

Enoch walked with God before the flood So did Moses after the flood The bible has an endless list of men and women who walked with the LORD Jesus Christ is the best example of a man who walked with God Every single one of us have the basic birthright to walk intimately with God However there are some principles and virtues which we must align ourselves with in order to make this possible One of them is love Another is faith Another important one is humility Idolatry must be disposed of and reliance and trust upon Jesus must be exercised every day It is not an easy task but we can do all things through Christ who gives us strength In this text we will explore what we can do to maximize our opportunities to walk with God effectively This is His heart desire and this must become ours Let us make use of our time to develop intimacy with God We must only learn and believe He will provide the rest **Walk with God** Gloria Copeland, 1995 God has a work for you to do on earth He has a special part for you to play He has a significant place that only you can fill But before you can move into that place you have to learn how to walk confidently with the Lord every day In this insightful book Gloria Copeland shares

Walking With God Zacharias Tanee Fomum, 2015-03-23 Walking with God is a profound exploration of the Holy Spirit s presence and workings within and through us The author Z T Fomum emphasizes that every consecrated life becomes a channel for the release of supernatural power with consecration leading to a life rich in spiritual vitality The book underscores that all of God s power resides within us and through prayer knowledge of God s Word and a life consecrated to the Lord believers can unleash this inherent power The inheritance of baptism into the Holy Spirit is demystified with Fomum simplifying the process likening it to claiming what is rightfully ours He asserts that the implications of being filled with the Holy Spirit may lead to significant life changes including parting with former plans and embracing a new direction The exploration extends to God s permissive will where Fomum discusses the delay in judgment for those who deviate from God s perfect will The book delves into the characteristics of God s permissive will cautioning that apparent blessings in this state may mask underlying difficulties that manifest later Walking with God offers practical insights into the complexities of maintaining a daily touch with God
