Critical Perspectives on Language Education Katie Dunworth,Grace Zhang,2014-07-24 The studies in this volume investigate how multilingual education involves a critical engagement with questions of identity and culture and a movement towards new ways of being and belonging It addresses previously under explored issues in particular the integration of theories like thirdness and practices of language education and maintenance with relevance to the Asia Pacific region The analyses reveal the delicate balance of interests of all stakeholders and offer detailed insights into the reality of multilingual education with specific examples of Chinese English Japanese and Tamil In a globalised world effective language education has become increasingly important and the studies presented here have the potential to inform and advance evidence based multilingual education through adding important dimensions of theoretical exploration and refreshing empirical resources

Has the Bell Gone Yet? Jon Janssen,2017-01-18 Jeremy Smithers is living in a retirement village and suffering from ill health He has a story that he desperately wants to tell for several reasons focusing primarily on the funnier side of his forty years of teaching in secondary schools He employs a young writer to help him to transform his ideas to written word Gradually from a very difficult beginning a more meaningful relationship comes to

fruition as they work on the book together But Smithers is hiding more than one or two secrets from his past that he definitely does not want to come out Slowly the pieces are put together through his fractured narration which reveals his desire to show an often misunderstood side of teachers and teaching and the observations and reactions of his collaborator the young protagonist Elaine
