Wanderer Tainted Universe Simon Goodson:

Wanderer - Tainted Universe Simon Goodson, 2014-06-08 Running saved their lives It may doom the universe The Wanderer's escape has pushed the Empire too far Now Jess and his crew are being hunted with relentless precision and their only path to freedom leads through a narrow corridor of space under tight Imperial control Outgunned and outnumbered the crew must thread a deadly needle evading overwhelming Imperial forces But beyond the bottleneck the stars are not as they should be Imperial fleets are stretched thin Worlds lie abandoned Something even the Empire can't withstand is spreading and the Wanderer is flying straight into it

Wanderer Simon Goodson, 2018-04-14 The Taint is spreading Nothing can stop it Nothing short of the destruction of the entire Universe and that's what the Wanderer's creators have set in motion Jess is faced with an impossible choice Stop the destruction and hand the universe to the Taint Or stop the Taint at the cost of everything The Wanderer is the only force capable of finding a third way but even it may not be enough With time running out and the life of the woman he loves hanging in the balance Jess races toward a solution which might not even exist And if it doesn't Jess will have to choose between erasing the universe or letting the Taint take it all Wanderer Extinction is the explosive fifth chapter in the Wanderer's Odyssey series where survival and sacrifice collide and freedom may demand an impossibly high price

Wanderer - Rebellion Simon Goodson, 2024-08-24 Tarkus and Kaira aboard the legendary Wanderer are on a mission to expose the Pradagash Corporation's darkest secrets But when a freighter carrying thousands of freed slaves is sabotaged their plans are thrown into chaos Forced to seek refuge in the rebellious Stormharbour system they arrive just as a massive Corporation fleet closes in to crush all resistance With time running out Tarkus must face his deepest fears and Kaira her darkest trauma An old enemy is hunting them The rebellion is hanging by a thread And the fate of millions may depend on impossible choices Can they turn the tide and keep the rebellion alive Or will everything be crushed under the Corporation's might Prepare for a pulse pounding adventure where the line between hope and despair blurs and every decision could mean the difference between freedom and annihilation The rebellion starts now

Wanderer's Odyssey Books 1 to 3 Simon Goodson, 2019-03-26 One slave One ship One chance for freedom To the Empire the ship was just another derelict booby trapped wreck To Jess a young slave it was a death sentence But the ship had other plans When Jess takes the pilot's seat the ancient vessel awakens a powerful self aware craft lost to legend Seizing the moment Jess escapes Imperial control and vanishes into the stars Now he's on the run in a ship that shouldn't exist hunted by a ruthless empire that will stop at nothing to reclaim it Jess should disappear into deep space and never look back But when calls for help echo through the void he finds he can't ignore them With freedom in his grasp and a starship of unimaginable power at his command Jess can make a difference If he lives long enough This box set includes the first three books in the Wanderer's Odyssey series a thrilling sci fi saga filled with high stakes adventure ancient technology and the enduring fight for freedom In the end I was gripping the arms of my chair as I rooted for the heroes A fast paced can't put it down sci fi One
