Can't Bear to Run Lynn Red, Raine Matthews used to be quirky fun and slightly goofy She s not allowed to be any of those things while she is firmly under her husband s thumb Her only reprieve comes from distant memories of a man she saw only once six years ago In that instant Raine knew there was something special about him The memory of that twinkle in his eyes of his careless smile gives her a shot of hope at her darkest moments She knows the only way to survive is getting away from her husband no matter what And in the back of her mind she can t shake the feeling that somewhere somehow she s going to see that mysterious stranger again Daxon Mark is the frustrated irritated sexy as hell alpha bear of the Kendal clan

Trapped between shuffling truces with other bear clans and the meddling of an overbearing shifter council he can't shake the feeling that the woman he saw six years before is what he needs to stay sane. He's teetering on the edge and when a bear as big as Dax goes nuts THAT ain't something anybody wants. With Raine on the lam and Dax trying to escape the confines of small town politics the two of them finally meet again in the most romantic of places in the toilet line at a concert. With a glance he steals her heart and with a word she sets a fire in his soul. But with trouble brewing back in Kendal Creek and Raine constantly looking over her shoulder will these two fated mates find their peace. Or will fear, loss and murder rip the pair apart before love is allowed to bloom.

Two Bears are Better Than One (Alpha Werebear Menage Romance) Lynn Red, 2014. From USA TODAY and NEW YORK TIMES best selling author Lynn Red comes a steamy sexy hilarious alpha werebear romance with two times the bears. Jill Appleton is a witty slightly lanky tall enough to make most guys nervous biologist with a thing for bears. Whoa whoa not like that she's got a thing for SAVING bears. When she hears stories of a secretive group of Kodiaks in the Appalachian Mountains she knows she's got to check them out. First of all they're not supposed to be there and second bears that live in a pack. That's about as rare as biologists who love big crowds. Or when it comes to Jill it's as rare as one of her dates not turning into a train wreck. She's all but given up on finding that one guy who the universe decided was right for her. Good thing she's about to meet two. Rogue and King, joint alphas of the Broken Pine werebear clan, could not be more different. King is quiet stalwart and strong. He holds clan traditions and history sacred and refuses to wear anything but a loincloth the way the elders did. Rogue would rather get a face full of werewolf teeth than bother with all that. He's feral, wild, loyal to a fault and loves to guzzle craft beer straight from a keg. And also a loincloth. Jeans all the way for this bear. Thank you very much. With the outside world coming closer to Broken Pine territory all the time and the werewolf packs getting more riled up than ever something is wrong. But when the two alphas who according to clan law both mate one woman and mate for life see Jill
