West Side Story Vocal Score:

WEST Side Story, 2001 *West Side story*, **Sondheim's Broadway Musicals** Stephen Banfield, 1993 The first in depth look at the work and career of one of the most important figures in the history of musical theater *Selections from West Side Story* Leonard Bernstein, Carol Klose, 2007 Piano Duet Selections Eight piano duets from the beloved musical America Cool I Feel Pretty Maria One Hand One Heart Something's Coming Somewhere Tonight West Side Story Leonard Bernstein, 1957 **The American Musical and the Formation of National Identity** Raymond Knapp, 2018-06-05

The American musical has achieved and maintained relevance to more people in America than any other performance based art This thoughtful history of the genre intended for readers of all stripes offers probing discussions of how American musicals especially through their musical numbers advance themes related to American national identity Written by a musicologist and supported by a wealth of illustrative audio examples on the book's website the book examines key historical antecedents to the musical including the Gilbert and Sullivan operetta nineteenth and early twentieth century American burlesque and vaudeville Tin Pan Alley and other song types It then proceeds thematically focusing primarily on fifteen mainstream shows from the twentieth century with discussions of such notable productions as Show Boat 1927 Porgy and Bess 1935 Oklahoma 1943 West Side Story 1957 Hair 1967 Pacific Overtures 1976 and Assassins 1991 The shows are grouped according to their treatment of themes that include defining America mythologies counter mythologies race and ethnicity dealing with World War II and exoticism Each chapter concludes with a brief consideration of available scholarship on related subjects an extensive appendix provides information on each show discussed including plot summaries and song lists and a listing of important films videos audio recordings published scores and libretti associated with each musical

Music Theory Through Musical Theatre John Charles Franceschina, 2015 Music Theory through Musical Theatre takes a new and powerful approach to music theory Written specifically for students in music theatre programs it offers music theory by way of musical theatre Not a traditional music theory text Music Theory through Musical Theatre tackles the theoretical foundations of musical theatre and musical theatre literature with an emphasis on what students will need to master in preparation for a professional career as a performer Veteran music theatre musician John Franceschina brings his years of experience to bear in a book that offers musical theatre educators an important tool in equipping students with what is perhaps the most important element of being a performer the ability to understand the language of music in the larger dramatic context to which it contributes The book uses examples exclusively from music theater repertoire drawing from well known and more obscure shows and songs Musical sight reading is consistently at the forefront of the lessons teaching students to internalize notated music quickly and accurately a particularly necessary skill in a world where songs can be added between performances Franceschina consistently links the concepts of music theory and vocal coaching showing students how identifying the musical structure of and gestures within a piece leads to better use of their time with vocal

coaches and ultimately enables better dramatic choices Combining formal theory with practical exercises Music Theory through Musical Theatre will be a lifelong resource for students in musical theatre courses dog eared and shelved beside other professional resource volumes **West Side Story Vocal Score** Hal Leonard Corporation,2003-01-01 inch this work is likely to become a standart work very quickly and is to be recommended to all schools where recorder studies are undertaken inch Oliver James Contact Magazine A novel and comprehensive approach to transferring from the C to F instrument 430 music examples include folk and national songs some in two parts country dance tunes and excerpts from the standard treble repertoire of Bach Barsanti Corelli Handel Telemann etc An outstanding feature of the book has proved to be Brian Bonsor s brilliantly simple but highly effective practice circles and recognition squares designed to give in only a few minutes concentrated practice on the more usual leaps to and from each new note and instant recognition of random notes Quickly emulating the outstanding success of the descant tutors these books are very popular even with those who normally use tutors other than the Enjoy the Recorder series **Vocal Selections from West Side Story** Leonard Bernstein,Stephen Sondheim,1957 *Library of Congress Catalog* Library of Congress,1973 A cumulative list of works represented by Library of Congress printed cards **Leonard Bernstein: West Side Story** Nigel Simeone,2017-07-05 One of the Broadway musicals that can genuinely claim to have transformed the genre West Side Story has been featured in many books on Broadway but it has yet to be the focus of a scholarly monograph Nigel Simeone begins by exploring the long process of creating West Side Story including a discussion of Bernstein s sketches early drafts of the score and script as well as cut songs The core of the book is a commentary on the music itself West Side Story is one of the very few Broadway musicals for which there is a complete published orchestral score as well as two different editions of the piano vocal score The survival of the original copied orchestral score and the reminiscences of Sid Ramin and Irwin Kostal reveal details of the orchestration process and the extent to which Bernstein was involved in this Simeone s commentary considers musical characteristics and compositional techniques used to mirror the drama for example the various uses of the tritone motivic development the use and reinvention of Broadway and other conventions the creation of dramatic continuity in the score through the use of motifs and other devices the unusual degree of dissonance and rhythmic complexity at least for the time and the integration of Latin American dance forms Mambo Huapango and so on Simeone also considers the reception of West Side Story in the contemporary press The stir the show caused included the response that it was the angular edgy score that made it a remarkable achievement Not all reviews were uncritical Finally the book looks in detail at the making of the original Broadway cast recording made in just one day included on the accompanying CD *Catalog of Copyright Entries* Library of Congress. Copyright Office,1960 **Music, Books on Music, and Sound Recordings** Library of Congress,1989 West Side Story. Vocal Score, Piano Accompaniment Leonard Bernstein, *Arias, Ensembles, & Choruses* John Yaffé,David Daniels,2011-11-17 Conductors John Yaff and David Daniels have created a one stop sourcebook for orchestras

opera companies conductors and librarians who research and or prepare programs of vocal excerpts such as solos ensembles and choruses for concert performance In this book readers will find detailed information on a vast repertoire of vocal pieces commonly extracted from operas operettas musicals and oratorios more than 1 750 excerpts from 450 parent works Modeled on Daniels Orchestral Music Arias Ensembles Choruses includes basic historical details about each parent work as well as extract titles subtitles voice types keys durations locations in the original work with page numbers in both full scores and piano vocal scores and exact instrumentation It also lists the publishers that make available the orchestral materials for just the excerpt being programmed independent of the full parent work Until now conductors and orchestra librarians commonly had to first leaf through full scores searching for one elusive three minute aria after another only to then consult multiple publishers catalogues to compile crucial information on all the excerpts proposed for a concert or recording This book constitutes a single source for finding that information In many cases the individual entries include valuable insider information on common performance practice including start and stop points transpositions and conventional cuts Searching for repertoire is made easy with the detailed title index and appendixes devoted to ensemble excerpts all categorized by personnel e g duets trios quartets quintets sextets choruses and language Czech English French German Italian Latin Russian This book is the ideal tool for the working conductor and orchestral librarian as well as music program directors at colleges and conservatories opera companies and symphony orchestras As of October 2015 a new printing of this book has occurred to correct errors in the index A PDF version of the new index is available to previous purchasers of the volume Please contact Rowman Littlefield s music editor for assistance Vocal Selections from West Side Story Leonard Bernstein, 1957 8 classics including America I Feel Pretty Maria Somewhere and more National Union Catalog , 1983

Catalogue of (printed) music. Music. Accessions, pt.[1]-94 British museum dept. of pr. books, 1884 The National Union Catalog , 1968 The Quarterly Journal of the Library of Congress , 1969
