What Is A Healthy Church Member Ix Marks:

Nine Marks of a Healthy Church (3rd Edition) Mark Dever, 2013-08-31 Now in its third edition and featuring a new foreword by New York Times best selling author David Platt pastor Mark Dever's classic book is not an instruction manual for church growth Rather it is a wise pastor's recommendation for how to assess the health of a church using nine crucial qualities often neglected by many of today's congregations Church leaders and church members alike will resonate with the principles outlined here breathing new life and health into the church at large In this newly revised edition fresh arguments have been added for example on expositional preaching about the nature of the gospel on complementarianism illustrations have been updated appendices have been changed and cover has been improved **Nine Marks of a Healthy Church**

Mark Dever, 2004 Did you know that FROGS drink through their skin Instead of swallowing water with their mouths frogs absorb moisture through their skin Frogs can also take in oxygen through their skin which helps them breathe better in the water FROGS eat with their eyes closed The eyes help the frog swallow by lowering into its head and pushing the food down its throat FROGS can jump 20 times their own length That's like a human jumping past four school buses in one leap FROGS have sticky tongues Frogs don't use their hands to catch food they just stick out their tongues Flies mosquitoes and other yummy bugs stick to the tip and get pulled into the frog's mouth for dinner SOME FROGS wear camouflage Stripes and spots help frogs blend into their natural surroundings Some frogs can even change color depending on their location or the weather FROGS recycle Frogs shed their skin about once a week Then they eat the old skin to reuse the nutrients stored inside FROGS can live to be 40 years old Most frogs live from 4 to 15 years A FROG wasn't always a frog Every frog starts as a tiny egg that hatches into a tadpole A tadpole has a round head and a tail and lives in the water like a fish The tadpole eats a lot as its body changes and grows new parts After three to four months the tadpole has four legs and no tail and can live on land it has become a frog AWESOME Did you know that you can become a new creature too You may not have a tail and live in the water but God can give you a new life Do you sometimes do things that make you feel bad inside Maybe you were mean to someone at school or told a lie to your parents God calls those bad things sin Everyone is born knowing how to sin and everyone who sins must be punished But God who loves us doesn't want us to sin He wants us to be like Him loving kind and good Just as a tadpole changes into a frog God can help you become more like Him God sent His only Son Jesus to earth to be a human just like us except Jesus never sinned Even so He chose to die so that He could pay the death penalty for our sins Three days after He died God raised Him back to life again Do you want to have a clean new life Then just believe in what Jesus did for you Tell God that you are sorry for your sins and thank Him for sending Jesus to save you The Bible says If anyone is in Christ he is a new creation the old has gone the new has come 2 Corinthians 5:17 God will change you on the inside to make you a totally new creature just like a tadpole changes into a frog To do this you can pray something like this Dear God I am sorry for the bad things I do Thank You for sending Jesus to pay the penalty for my sins Please change me on

the inside and help keep me from sin so I can live a clean new life for You Amen If you have just prayed to ask God to change you write your name and address on the lines below and send it to us We will send you a free booklet to help you grow in your new life with Christ
