You Reap What You Sow James Langston, 2014-04-05 Sowing and reaping is also a law of the spiritual world It is more than just an agricultural principle It is an axiom of life that we reap what we sow Galatians 6:7 says Do not be deceived God cannot be mocked A man reaps what he sows There are natural consequences to our actions Sowing and reaping is used as a metaphor for death and resurrection When Paul discusses the doctrine of the resurrection of the body he uses the analogy of planting a seed to illustrate physical death The body that is sown is perishable it is raised imperishable it is sown in dishonor it is raised in glory it is sown in weakness it is raised in power it is sown a natural body it is raised a spiritual body 1 Cor 15:42b-44a A seed may die when it falls to the ground but that is not the end of its life John 12:24 Found throughout Scripture the idea of sowing and reaping is an important principle imparting wisdom for both this world and the next

Hebrew Roots Movements John Brown, 2018-10-12 A relatively recent phenomena in Christendom is the Hebrew Roots Movements These groups are promoting adopting elements of Judaism for biblical interpretation and a guide for modern Christian practical living It is based upon the belief that Jesus inaugurated a new religion but similar to and derived from Judaism This book presents the argument that no element of Judaism belongs in Christianity The narrative presents a compelling argument that Jesus' earthly ministry was to confront and reform corruption introduced by the Pharisees so to reveal Israel's original faith Pure Torah Observance The purpose of that was so Israel could see their true Messiah Jesus' earthly ministry was that of a reformer of Israel's faith not a teacher of a new faith While Jesus accurately taught Torah Jewish scripture and his reformation message truthful but Israel as a nation failed to adopt his message or reform That did not stop Jesus from accomplishing his mission to provide Israel's salvation Jesus' atoning work delivered on the day of Pentecost was not just for Israel but a universal deliverance though that was not immediately understood Jesus' atoning work

The Fig Tree Blossoms Paul Liberman, 1976 Jesus was a Jew The writers of Scripture were Jews The early church emerged in a Jewish environment So why the tension between Jews and Christians and why have so few Jews come to believe in the Messiah In The Fig Tree Blossoms Paul Liberman uncovers the Jewish roots of the Christian faith and helps Gentile believers come to a deeper understanding of the historic issues that have fed Jewish suspicion of Christians and Christian prejudice toward Jews But in these last days Liberman writes God is using the emerging Messianic movement to bring many Jews into His kingdom and to awaken Gentile Christians to their Jewish faith heritage

Instead of casting blame or assigning guilt Liberman calls Gentile Christians to embrace their Messianic brothers and sisters Jewish expressions of faith in much the same way Paul encouraged his fellow Jews to embrace Gentile believers who were entering the first century church Discover how the fig tree the biblical symbol for the Jewish people is blossoming and how many will come to enjoy its fruit Paul Liberman became a believer in the Messiah in 1971 He was instrumental in founding Messianic congregations in Washington D C and San Diego and co led a congregation in Israel For five years he served as the Executive Director of the International Messianic Jewish Alliance and is currently Publisher of The Messianic Times newspaper a board member of MAOZ Inc Israel and President of the Messianic Jewish Alliance of America

The Hebrew Christian Alliance Quarterly ,1928 **What Is the Hebrew Roots Movement** Steve Gustine,2013-09-02 I came to this new understanding of the Bible about 12 years ago now I had built a roadside vending trailer to boil seafood down on the Mississippi Gulf Coast You know those good ol shrimp crawfish and crabs Good ol down home Southern cooking Some of my fondest memories are of my whole church getting together to go to Uncle Chester s Catfish House They had a big smorgasbord of shellfish crustaceans and catfish along with other things like frog legs and even octopus Those were the good ol days Years later I learned that those things were not even considered by God to be food I also learned that He even calls some of our favorite traditions an abomination like eating that Easter Ham dinner after sunrise service Of course we were told all that stuff in the Old Testament didn t apply to us because we were the new Christian Church born at Pentacost and all those Old Testament rules were only for the Jews We were told that Jesus came

and did it all for us obeyed all those rules so now we are free in Christ so God's rules don't apply to us really never did That's what we were taught Until one day a friend of my sister dropped by as I was dipping another batch of crawfish out of my 500 gallon tank to serve at one of the Christian festivals we were serving at She walked up to me and told me that God would never bless my life because I was selling unclean food Actually she told me that as far as the Bible goes it wasn't even considered food Well now I was on a quest to dig in and pull out all those scriptures to prove her wrong I knew that God's Law was bondage I knew it was nailed to the cross I knew that we Christians are only under the Law of Christ now Just love God and love your neighbor But as I dug in the Spirit of God revealed something to me that was hidden for over 30 years of my life He was now revealing to me for some reason that all the things I just took for granted the things my pastors taught me well there just were no scriptures to back up any of it The more I studied the Word the more I realized that a lot of what I thought I knew most of what I had been taught was just the opposite of what I was reading right there in the Bible I felt like I was living in the Matrix I started walking in the truth that God was showing me And over the years He has revealed more and more to me
