Meeting,2000 **Reverse Acronyms, Initialisms, & Abbreviations Dictionary** ,2009 **Causes of the Civil War** Philip Leigh,2020-09-26 THE PRESENTLY DOMINANT NARRATIVE about Civil War causes is the work of historians obsessed with social activism instead o historical facts They point to the 13th 14th and 15th postbellum amendments as proof that the North was fighting to provide slaves with an honorable freedom but deny that the increase in tariffs from 19% before the war before to an average of 45% for fifty years thereafter reflected a Northern war aim They hold Southern secession responsible for the war but fail to teach that the Northeastern states threatened to secede five times between 1789 and 1850 They also decline to note that Southern secession need not have led to war Southerners had no purpose to overthrow the Washington government they merely wanted a government of their own Northerners could have evacuated Fort Sumter and let the first seven cotton states depart in peace thereby avoiding the war Modern historians normally focus on the reasons the cotton states seceded instead of examining the economic reasons Northerner chose to militarily coerce them back into the Union thereby inaugurating civil war The Republican Party could have stopped the spread of slavery peacefully by endorsing Popular Sovereignty during the 1860 presidential election After Kansas used it to reject slavery in an 1858 local option vote nearly every politico realized that the doctrine would quarantine slavery in the South If Popular Sovereignty could not make a slave state out of Kansas it could not do it in any of the remaining 1860 Federal territories Republicans rejected the doctrine simply to survive as an independent Party because Lincoln s two chief opposing presidential candidates supported it Beyond what Poplar Sovereignty would have gained the Republican ban added nothing except to inflame the sectional passions that led to civil war Philip Leigh does not hesitate to challenge what Voltaire called The propaganda of the victorious This work is not to be missed by any who are interested in the truth H V Traywick Author Empire of the Owls and Virginia Iliad Philip Leigh s new book gives readers hard historical economic facts showing that the causes of the American Civil War date back decades and were multi layered Read this book if you want a full understanding of what the war was really about Clint Johnson Author Tin Cans and Greyhounds and The Politically Incorrect Guide to the South For two generations mainline historians have taught that Southerners committed treason by seceding and virtuous Northerners invaded the South to abolish slavery For many of America s elite this so called truth has enabled them to support or stand silent as Confederate memorials are vandalized or removed Phil Leigh s new book shows that the thesis is simply untrue Don Livingston Ph D Author Hume s Philosophy of Common Life and Philosophical Melancholy and Delirium Hume s Pathology of Philosophy

**Causes of the Civil War in America** John Lothrop Motley, 1861 *The Causes of the Civil War* Kenneth Milton Stampp, 1965 The causes of the Civil War brings into sharp focus the major issues real or imagined that divided northerners and southerners in a disastrous national crisis Juxtaposing articles and speeches by men who lived through the struggle with the interpretations of post Civil War historians Kenneth M Stampp brings face to face spokesmen for the major schools of thought Was slavery the determining cause Can the blame be laid either to Black Republican agitation or to the ruthless machinations of a Slave Power conspiracy Was the war an irrepressible conflict between an agrarian South and an industrialized North This volume provides no answers Rather the readings including several new selections reveal the uncertainty about the war s causes that has repeatedly driven historians back to the sources They help us to enlarge our knowledge and deepen our understanding of the differences that set brother against brother Page 4 of cover *The Civil War in America* , 1861 *CAUSES OF THE CIVIL WAR IN AMERICA* JOHN LOTHROP. Nolan, 2000 The myth of the Lost Cause of the Confederate States in the Civil War was and is an elaborate and intentional effort on the part of southerners to rationalise the secession and the war itself Unfortunately for historical truth and the national memory these skilful propagandists beginning with Jubal Early have been so successful that the Lost Cause has assumed a life of its own and continues to misrepresent what really happened distorting the national memory in the process In this book nine historians analyse the Lost Cause describing its content and identifying its falsity The work is thus a major contribution to Civil War historiography *Causes of the Civil War* Jennifer L. Rowan, 2019 The institution of slavery shaped the economic social and political history of the United States Tensions between supporters and opponents of slavery simmered for decades with ever increasing intensity before boiling over into a devastating four year civil war This book examines the series of compromises aimed at diffusing sectional conflict during the first half of the nineteenth century the development of political strategies the outbreak of armed hostilities and
