What God Wants Neale Donald Walsch, 2005 From the bestselling author of the Conversations with God series comes a powerful statement that answers humanity's oldest question What does God want from us **What God Wants** Neale Donald Walsch, 2006-03-13 *What God Wants* addresses humanity's most important question For centuries indeed for millennia our species has been trying to determine what it is that puts us in good standing with God earning us a place in God's kingdom after our death bringing us a good life while here on earth Now in a startlingly clear direct and simple text Neale Donald Walsch provides an answer that fits all religions and ultimately transcends them *What God Wants* Neale Donald Walsch, 2010-12-14 Be careful This book is dangerous It explores with startling freshness the most important question you could ever ask and offers with breathtaking courage the most extraordinary answer you could ever imagine That answer is so theologically revolutionary and so spiritually empowering that it could change the course of human history If embraced it most certainly will change your life There are people and institutions in the world long in place and long in power that want neither of these outcomes to occur They would rather that you put this book down right now It's up to you **The Gospel According to Christ** Mark A. Stelter, 2011-11-14 Christianity is in crisis We live in a time when millions of people profoundly misunderstand the message of the Gospel They believe that being a Christian means little more than being a nice person They view Jesus as a wise moral teacher who showed us how to live better lives and they conclude that the love of humanity is our greatest cause and its progress our primary purpose Whatever else may be said of this view of Christianity it is certainly not what Jesus taught It is an attempt to replace the concepts of sin redemption and salvation with the more socially acceptable virtues of tolerance compassion and social progress It elevates humanity and the world above God and his kingdom and reduces Jesus to a mere moral philosopher But who did Jesus say he was What was the essential message of Christ *The Gospel According to Christ* answers those questions by examining the words of Jesus in their context and in their entirety The answers will be shocking to many Christians **The Red Book** Sera J. Beak, 2006-06-16 *The Red Book* is nothing less than a spiritual fire starter a combustible cocktail of Hindu Tantra and Zen Buddhism Rumi and Carl Jung goddesses and psychics shaken with cosmic nudges meaningful subway rides haircuts relationships sex dreams and intuition Author Sera Beak's unique hybrid perspective hilarious personal anecdotes and invaluable exercises encourage her readers to live more consciously so they can start making clearer choices across the board from careers to relationships politics to pop culture and everything in between For smart gutsy spiritually curious women whose colorful and complicated lives aren't reflected in most spirituality books *The Red Book* is an open invitation to find your true self and start sharing that delicious truth with the world *Solar Plexus* Michelle Joie Lee, 2010-10-10 **UPDATED EDITION** SE The Secret and Gravity Are they the same like electricity and magnetism electromagnetism Drawing on chronological data with unification of Newton and Einstein's theories JOIE takes the science of gravity and attraction to a precocious level introducing G Theory Fellow

Love or Die: Finding Oneness in a Me-First World Sandy Meadows, Stan Wenck, 2018-11-20 Love or Die delivers a critical look at two false beliefs that contribute to so much of the suffering and violence in the world today the beliefs that 1 we are separate and 2 we are incomplete Once the reader understands that every action he takes affects the Whole since we are all connected as part of that Whole he will realize that extinction awaits us if we continue to be self indulgent at the expense of others or the environment To destroy any part of nature is to destroy a part of ourselves We must awaken from our self destructive ego consciousness move into higher levels of awareness and begin functioning with cooperation rather than competition Failing this our quality of life will rapidly deteriorate and humans will go the way of the dinosaurs We must learn how to love or we will perish

The Vampire Path to God! My Desperate Plan to Contact God Spiro Hamilton, 2021-07-27 Don't you get exasperated furious even about why God is so confusing Why are there so many different religions and spiritual systems all saying completely different things How are we supposed to discover the truth of God Doesn't it drive you crazy Doesn't it make you desperate to get to the bottom of it all There must be a way to find the right answer It surely wasn't supposed to be this difficult Something's getting in the way blocking our path to God It's as if there's some kind of forcefield standing between God and us Maybe we could call it the Devil Field or the field of fake news and false information It takes something drastic to break on through to the other side but how on earth did I end up using vampires to talk to God You definitely can't get any

more drastic and desperate than that My idea for getting the dope on God was in fact inspired by an episode of Buffy the Vampire Slayer hence why this is about the vampire route to God My plan was simple To extract God from the Bible by scanning it into my computer and then get God to answer my questions What could possibly go wrong with that *We Don't Die* Sandra Champlain,2013-05-01 *We Don't Die* A Skeptic's Discovery of Life After Death gives credible evidence of life after death The goal of *We Don't Die* is to have people believe that their deceased loved ones are still near them help them navigate through the grieving process and educate that we are eternal souls having a human experience It is unique because it teaches people about the grieving process keeping relationships whole gives awe inspiring exercises that the reader experiences that we must be more than our bodies It gets readers in touch with the purpose of their lives and gets them on the path to producing results Readers will no longer fear death their pain of losing someone will be lessened they will have hope faith and powerful access to live a successful life *New Spiritual Answers to Life's Big Questions* Ph.
