IMPORTANT NOTICE

This manual has been provided for the use of authorized YAMAHA Retailers and their service personnel. It has been assumed that basic service procedures inherent to the industry and more specifically YAMAHA Products, are already known and understood by the user, and have therefore not been included.

WARNING: Failure to follow appropriate service and safety procedures when servicing this product, may result in personal injury, destruction of expensive components, and failure of the product to perform as specified. For those reasons, we advise all YAMAHA product owners that any service required should be performed by an authorized YAMAHA Retailer or the appointed service representative.

IMPORTANT: The presentation or sale of this manual to any individual or firm does not constitute authorization, authorization or completion of any applicable technical regulations, or establish a principal-agent relationship of any kind.

The data provided is believed to be accurate and applicable to the model(s) indicated on the cover. The research, engineering, and service departments of YAMAHA are continuously striving to improve YAMAHA products. Modifications are, therefore, inevitable and specifications are subject to change without notice or obligation to retrofit. Should any discrepancy appear in print, please contact the distributor's Service Division.

WARNING: Static discharges can destroy expensive components. Discharge any static electricity (your body may have accumulated by grounding yourself to the ground here in the test Query gauge black wires connect to this point).

IMPORTANT: Turn the unit OFF during disassembly and get replacement. Recheck, all work before you apply power to the unit.
