traditional Zimbabwean music including the sacred mbira and African and Western pop is a metaphor for Zimbabwe's evolution from colony to independent nation. *Lion Songs* is an authoritative biography of Mapfumo that narrates the life and career of this creative, complex, and iconic figure. Banning Eyre ties the arc of Mapfumo's career to the history of Zimbabwe. The genre Mapfumo created in the 1970s called chimurenga or struggle music challenged the Rhodesian government, which banned his music and jailed him, and became important to Zimbabwe achieving independence in 1980. In the 1980s and 1990s, Mapfumo's international profile grew along with his opposition to Robert Mugabe's dictatorship. Mugabe had been a hero of the revolution, but Mapfumo's criticism of his regime led authorities and loyalists to turn on the singer with threats and intimidation. Beginning in 2000, Mapfumo and his band and family members left Zimbabwe. Many of them, including Mapfumo, now reside in Eugene, Oregon. *A Labor of Love: Lion Songs* is the product of a twenty-five year friendship and professional relationship between Eyre and Mapfumo that demonstrates Mapfumo's musical and political importance to his nation, its freedom struggle, and its culture.
