What Makes an Elite Pitcher? Warren N. Wilbert, 2010-07-27 Elite baseball pitchers are elite for a reason They seem to have it all a variety of pitches that no one can lay a bat to cool heads and confidence in their stuff when they get in a jam and the kind of dexterity that makes difficult plays seem easy Is elite status revealed through statistics Though the author of this book considers statistics of both the traditional and sabermetric sort he argues that the greats are proved not by broad statistical comparison with all other pitchers but by their record against one another In a thoughtful discussion of the evidence of head to head matchups he finds the nine pitchers who make up the true elite Cy Young Christy Mathewson Walter Johnson Grover Alexander Lefty Grove Warren Spahn Tom Seaver Roger Clemens and Greg Maddux For each pitcher the book provides biographical information career highlights and a list of the feats that put him in the record books
