They Were Just People Stories Of Rescue In Poland During The Holocaust

Ari Kohen, Gerald J. Steinacher

They Were Just People Stories Of Rescue In Poland During The Holocaust:

They Were Just People Bill Tammeus, Jacques Cukierkorn, 2009-09-01 Hitler's attempt to murder all of Europe's Jews almost succeeded. One reason it fell short of its nefarious goal was the work of brave non-Jews who sheltered their fellow citizens. In most countries under German control, those who rescued Jews risked imprisonment and death. In Poland, home to more Jews than any other country at the start of World War II, and location of six German-built death camps, the punishment was immediate execution. This book tells the stories of Polish Holocaust survivors and their rescuers. The authors traveled extensively in the United States and Poland to interview some of the few remaining participants before their generation is gone. Tammeus and Cukierkorn unfold many stories that have never before been made public: gripping narratives of Jews who survived against all odds and courageous non-Jews who risked their own lives to provide shelter. These are harrowing accounts of survival and bravery. Maria Devinki lived for more than two years under the floors of barns. Felix Zandman sought refuge from Anna Puchalska for a night but she pledged to hide him for the whole war if necessary and eventually hid several Jews for seventeen months in a pit dug beneath her house. And when teenage brothers Zygie and Sol Allweiss hid behind hay bales in the Dudzik family's barn one day when the Germans came, they were alarmed to learn the soldiers weren't there searching for Jews but to seize hay. But Zofia Dudzik successfully distracted them and she and her husband insisted the boys stay despite the danger to their own family. Through some twenty stories like these, Tammeus and Cukierkorn show that even in an atmosphere of unimaginable malevolence, individuals can decide to act in civilized ways. Some rescuers had antisemitic feelings but acted because they knew and liked individual Jews. In many cases, the rescuers were simply helping friends or business associates. The accounts include the perspectives of men and women, city and rural residents, clergy and laypersons, even children who witnessed their parents' efforts. These stories show that assistance from non-Jews was crucial but also that Jews needed ingenuity, sometimes money, and most often what some survivors called simple good luck. Sixty years later, they invite each of us to ask what we might do today if we were at risk or were asked to risk our lives to save others. They

One reason it fell short of its nefarious goal was the work of brave non-Jews who sheltered their fellow citizens. In most countries under German control, those who rescued Jews risked imprisonment and death. In Poland, home to more Jews than any other country at the start of World War II, and location of six German-built death camps, the punishment was immediate execution. This book tells the stories of Polish Holocaust survivors and their rescuers. The authors traveled extensively in the United States and Poland to interview some of the few remaining participants before their generation is gone. Tammeus and Cukierkorn unfold many stories that have never before been made public: gripping narratives of Jews who survived against all odds and courageous non-Jews who risked their own lives to provide shelter. These are harrowing accounts of survival and bravery. Maria Devinki lived for more than two years under the floors of barns. Felix Zandman sought

refuge from Anna Puchalska for a night but she pledged to hide him for the whole war if necessary and eventually hid several Jews for seventeen months in a pit dug beneath her house And when teenage brothers Zygie and Sol Allweiss hid behind hay bales in the Dudzik family s barn one day when the Germans came they were alarmed to learn the soldiers weren t there searching for Jews but to seize hay But Zofia Dudzik successfully distracted them and she and her husband insisted the boys stay despite the danger to their own family Through some twenty stories like these Tammeus and Cukierkorn show that even in an atmosphere of unimaginable malevolence individuals can decide to act in civilized ways Some rescuers had antisemitic feelings but acted because they knew and liked individual Jews In many cases the rescuers were simply helping friends or business associates The accounts include the perspectives of men and women city and rural residents clergy and laypersons even children who witnessed their parents efforts These stories show that assistance from non Jews was crucial but also that Jews needed ingenuity sometimes money and most often what some survivors called simple good luck Sixty years later they invite each of us to ask what we might do today if we were at risk or were asked to risk our lives to save others Were the Popes Against the Jews? Justus George Lawler,2012-01-31 How many people know that a modern pope publicly referred to Jews as dogs that two other modern popes called the Jewish religion Satan s synagogue that at the beginning of the twentieth century another pope refused to save the life of a Jew accused of ritual murder even though the pope knew the man was innocent Lastly how many people know that only a decade before the rise of Hitler another pope supported priests who called for the extermination of all the Jews in the world The answer has to be great numbers of people since those accusations appeared in David I Kertzer s *The Popes Against the Jews* 2001 a book which had been lauded in major journals and newspapers in the U S and the U K and which by 2006 had been translated into nine foreign languages while Kertzer himself according to his Website had become America s foremost expert on the modern history of the Vatican s relations with the Jews It is thus undeniable that very many people in very many countries have heard of the appalling misdeeds and misstatements mentioned above even though in fact not one of them was ever perpetrated by any pope But *Were the Popes Against the Jews* is not only about the disclosure of these shocking slanders however fascinating and important such an expos is In the broader perspective it is about the power of ideology to subvert historical judgments whether the latter concern the origins of anti-Semitism and the papacy the distortion of documents to indict Pius XII or the fabrication of Pius XI as codependent collaborator with Mussolini the announced subject of Kertzer s next book Justus George Lawler s confrontation with ideologues will gratify all who are seeking not triumph over opponents but peace and justice for all *Resisting the Holocaust* Paul R. Bartrop,2016-06-06 This book enables readers to learn about upstanders partisans and survivors from first hand perspectives that reveal the many forms of resistance some bold and defiant some subtle to the Nazis during the Holocaust What did those who resisted the Nazis during the 1930s through 1945 known now as the Righteous do when confronted with the Holocaust How did those who resorted to physical acts of resistance to fight the Nazis in the ghettos the

concentration camps and the forests summon the courage to form underground groups and organize their efforts This book presents a comprehensive examination of more than 150 remarkable people who said no to the Nazis when confronted by the Holocaust of the Jews They range from people who undertook armed resistance to individuals who risked and sometimes lost their lives in trying to rescue Jews or spirit them away to safety In many cases the very act of survival in the face of extreme circumstances was a form of resistance This important book explores the many facets of resistance to the Holocaust that took place less than 100 years ago providing valuable insights to any reader seeking evidence of how individuals can remain committed to the maintenance of humanitarian traditions in the darkest of times **The United States Holocaust**

Memorial Museum Encyclopedia of Camps and Ghettos, 1933 -1945: Volume II Geoffrey P. Megargee, Martin Dean, 2012-05-04 Stands without doubt as the definitive reference guide on this topic in the world today Holocaust and Genocide Studies This volume of the extraordinary encyclopedia from the United States Holocaust Memorial Museum offers a comprehensive account of how the Nazis conducted the Holocaust throughout the scattered towns and villages of Poland and the Soviet Union It covers more than 1 150 sites including both open and closed ghettos Regional essays outline the patterns of ghettoization in nineteen German administrative regions Each entry discusses key events in the history of the ghetto living and working conditions activities of the Jewish Councils Jewish responses to persecution demographic changes and details of the ghetto's liquidation Personal testimonies help convey the character of each ghetto while source citations provide a guide to additional information Documentation of hundreds of smaller sites previously unknown or overlooked in the historiography of the Holocaust make this an indispensable reference work on the destroyed Jewish communities of Eastern Europe A very detailed analysis and history of the events that took place in the towns villages and cities of German occupied Eastern Europe A rich source of information Library Journal Focuses specifically on the ghettos of Nazi occupied Eastern Europe stands without doubt as the definitive reference guide on this topic in the world today This is not hyperbole but simply a recognition of the meticulous collaborative research that went into assembling such a massive collection of information Holocaust and Genocide Studies No other work provides the same level of detail and supporting material Choice

Genocide Perspectives IV Colin Tatz, 2012-01-01 Genocide isn't past tense and the Nazi and Bosnian eras are not yet closed The demonising of people as unworthy and expendable is ever present and the consequences are all too evident in the daily news These fourteen essays by Australian scholars confront the issues the need for a measuring scale that encompasses differences and similarities between seemingly divergent cases of the crime the complicity of bureaucracies the healing professions and the churches in this crime of crimes the quest for historical justice for genocide victims generally following the Nuremberg Trials the fate of children in the Nazi and postwar eras the worthiness of Armenians Jews and Romani people in twentieth century Europe and the imperative to tackle early warning signs of an incipient genocide Colin Tatz is a founding director of the Australian Institute for Holocaust and Genocide Studies visiting fellow in Politics and International

Relations at the Australian National University and honorary visiting fellow at the Australian Institute of Aboriginal and Torres Strait Islander Studies He teaches and publishes in comparative race politics youth suicide migration studies and sports history

Woodstock Bill Tammeus, 2014-02-12 From the middle of the Twentieth Century and often from the middle of the United States came people Bill Tammeus describes as Middle Americans This book is about why they mattered and how America is different today because of their values approaches and adaptability as they faced and even helped to shape the enormous changes that have swept across American life in the last seventy or more years This is both a highly personal story of the author's roots and experiences as a representative Middle American as well as a much broader story of people who have made an enormous difference in their communities and their nation

Unlikely Heroes Ari Kohen, Gerald J. Steinacher, 2019-05-01 Classes and books on the Holocaust often center on the experiences of victims perpetrators and bystanders but rescuers also occupy a prominent space in Holocaust courses and literature even though incidents of rescue were relatively few and rescuers constituted less than 1 percent of the population in Nazi occupied Europe As inspiring figures and role models rescuers challenge us to consider how we would act if we found ourselves in similarly perilous situations of grave moral import Their stories speak to us and move us Yet this was not always the case Seventy years ago these brave men and women today regarded as the Righteous Among the Nations went largely unrecognized indeed sometimes they were even singled out for abuse from their co nationals for their selfless actions *Unlikely Heroes* traces the evolution of the humanitarian hero looking at the ways in which historians politicians and filmmakers have treated individual rescuers like Raoul Wallenberg and Oskar Schindler as well as the rescue efforts of humanitarian organizations Contributors in this edited collection also explore classroom possibilities for dealing with the role of rescuers at both the university and the secondary level

Engaging Cultural Ideologies Cindy Bylander, 2022-12-20 *Engaging Cultural Ideologies* offers a recontextualization of the effects of Poland's cultural practices especially those concerning issues such as nationalism elitism and race on the genesis and performance of contemporary Polish compositions from 1918 to 1956 Based on extensive archival research that includes the first comprehensive examination of concert programs in Poland as well as a series of case studies focused on composers challenges in the midst of nearly constant turmoil Bylander brings fresh insights into the public and private power struggles concerning artistic freedom that were animated by similar points of contention across seemingly diverse historical eras

The United States Holocaust Memorial Museum Encyclopedia of Camps and Ghettos, 1933-1945 Geoffrey P. Megargee, 2009 Created by the Center for Advanced Holocaust Studies at the United States Holocaust Memorial Museum the monumental 7 volume encyclopaedia that the present work inaugurates will make available in one place for the first time detailed information about the universe of camps sub camps and ghettos established and operated by the Nazis altogether some 20 000 sites from Norway to North Africa and from France to Russia This volume covers three groups of camps the early camps established in the first year of Hitler's rule the major concentration camps

with their constellations of sub camps that operated under the control of the SS Business Administration Main Office and youth camps Overview essays precede entries on individual camps and sub camps Each entry provides basic information about the purpose of the site the prisoners guards working and living conditions and key events in its history Material drawn from personal testimonies helps convey the character of each site while source citations for each entry provide a path to additional information
