This Is My Body The Presence Of Christ In Reformation Thought:

A Scriptural Theology of Eucharistic Blessings Susan I. Bubbers, 2013-09-12 This study examines the scriptural justification for believers to expect the Eucharist to be a place where God will come and bless them with freedom and formation Bubbers focus is not on liturgy but rather on the biblical message of the benefits of participation in the Eucharist Why keep this Feast Why is Eucharist important Bubbers interpretive approach is a synthesis of historical literary aspects of Biblical Theology and canonical creedal aspects of the Theological Reading of Scripture taking into account the biblical historical place of Eucharist as well as its ongoing presence within the Church Bubbers begins by displaying the Last Supper as a Passover meal which bridges between Old Testament motifs and the New Testament Feast She then shows that the Exodus context reveals a paradigm which links blessing with remembrance and suggests that the remembrance motif describes these blessings Finally Bubbers gathers a catalogue of specific blessings summarized by freedom and formation Her conclusion is that the Feast is a divinely designed paradigm for worship which is accompanied by a promise of transformational encounters

Divine Presence as Activity and the Incarnation Alexander S. Jensen, 2024-07-22 This book offers an original perspective on the doctrine of incarnation through a discussion of divine presence and action arguing for the plausibility of Chalcedonian Christology It draws on a range of theological and philosophical sources from St Athanasius of Alexandria's approach regarding the presence of the logos asarkos in the world to the relational understanding of personhood put forward by John Zizioulas Christos Yannaras and others The suggestion is that divine presence needs to be understood in consistently Trinitarian terms and the book sets out the possibility of a theology of presence which understands God as present and immanent in the world while at the same time remaining transcendent and ineffable Alexander Jensen maintains that the classical understanding of divine presence which sees God as being present according to God's activity is much more useful in Christology than today's predominant modern notion of presence as occupying space and combines this with an ontological understanding of personhood The book gives an account of the person and work of Christ that takes seriously the insights of historical research and critical biblical interpretation It takes seriously the full humanity of Jesus of Nazareth and asserts that in this man we encounter God It will be of particular interest to systematic theologians as well as those concerned with the history of Christian theology and philosophical theology

Calvin's Tormentors Gary W. Jenkins, 2018-04-17 This book offers a unique approach to Calvin by

introducing the individuals and groups who through their opposition to Calvin's theology and politics helped shape the Reformer his theology and his historical and religious legacy Respected church historian Gary Jenkins shows how Calvin had to defend or rethink his theology in light of his tormentors challenges giving readers a more nuanced view of Calvin's life and thought The book highlights the central theological ideas of the Swiss Reformation and introduces figures and movements often excluded from standard texts

The Overshadowed Preacher Jerusha Matsen Neal, 2020-10-08 The Overshadowed Preacher breaks open one of the most important unexamined affirmations of preaching the presence of the living Christ in the sermon Jerusha Matsen Neal argues that Mary's conceiving bearing and naming of Jesus in Luke's nativity account is a potent description of this mystery Mary's example calls preachers to leave behind the false shadows haunting Christian pulpits and be overshadowed by the Spirit of God Neal asks gospel proclaimers to own both the limits and the promise of their humanness as God's Spirit filled servants rather than disappear behind a pulpit prince ideal It is a preacher's fully embodied witness lived out through Spirit filled acts of hospitality dependence and discernment that bears the marks of a fully embodied Christ This affirmation honors the particularity of preachers in a globally diverse context challenging a status quo that has historically privileged masculinity and whiteness It also offers hope to ordinary souls who find themselves daunted by the impossibility of the preaching task Nothing in the angel's words is impossible with God *Evangelical Theology, Second Edition* Michael F.
