This Is Not My Life The Tough Journeys Make Us Stronger:

This Is Not My Life Michelle Peterson,2010-11-13 Editor s Comments The contrast between Michelle s high energy and cheerful demeanor with the very challenging sometimes tragic stories she was relating was fascinating As I worked on the book I discovered her secret The common thread through it all was her strong will to come out on the other side of any bad situation the victor Smelling like a rose as her father had told her many times that she would She never allowed herself to be dispirited beaten down or defeated Michelle s story is a powerful example of a woman who made it through one adverse circumstance after another and landed in the best possible place above and beyond it all Her strength of spirit makes it impossible to feel sorry for her Instead you immediately want to be friends with her The truth about Michelle is that she is a deeply caring multi talented smart funny and wise person someone I greatly admire and trust My Life, My Journey, My Soul Doreen Gravelle,2018-01-03 I dedicate this book to my father and mother Without them I would not have become the person I am I was born in 1938 to a wonderful set of parents my mother and father were people who gave of themselves They instilled so many virtues in me that I am very thankful for To my family who had to put up with me through the good times and the bad To everyone that I have met along the way while I was following my life s path And most of all to God whose help has given me the desire for knowledge and the courage to follow my heart Without that I would not have accomplished the things I ve done **The Autobiography of a Nobody...** Pamela T.
