This Land Is Your Land:

This Land Is Your Land Robert Santelli, 2012-03-13 This Land Is Your Land is the most iconic folk song in American history and is the masterwork of one of America's greatest artists Woody Guthrie. Written in 1940 and first recorded in 1944, the song became an instant hit and then a point of controversy and finally a cross-generation anthem. It's been co-opted and rewritten in many other countries. Praised for its heartfelt lyrics and accompanying pride and spirit, no folk song has made such a lasting impression on American culture or stirred as much controversy. The book will publish to coincide with Woody at 100, a partnership between the Grammy Museum and the Guthrie Archives to stage numerous celebratory events throughout 2012 nationwide and beyond. This Land Is Your Land is a remarkably detailed account of the journey of America's most celebrated folk song. It also details Guthrie's legendary journey from Oklahoma across the Heartland to New York City where he wrote many of his works, including This Land Is Your Land. With more than forty rare black and white photographs from the Woody Guthrie archives plus original interviews with Bob Dylan, Bruce Springsteen, Willie Nelson, Pete Seeger, John Mellencamp, and more, This Land Is Your Land delivers a revealing portrait of an American treasure. [This Land Is Your Land](#) Woody Guthrie, 2015-01-06 An illustrated version of the classic Woody Guthrie folk song, perfect for a family singalong. Since its debut in the 1940s, Woody Guthrie's This Land Is Your Land has become one of the best-loved and most timely folk songs in America, inspiring activism and patriotism for all. This classic ballad is now brought to life in a richly illustrated edition for the whole family to share. Kathy Jakobsen's detailed paintings, which invite readers on a journey across the country, create an unforgettable portrait of our diverse land and the people who live it. **This Land Is Your Land** RD Moore, 2023-06-10 This land was made for you and me. This is the emphatic refrain of Woody Guthrie's iconic anthem, a profound rendering of one of our nation's most sacred truths. Yet for far too many and for far too long, this hasn't felt like a land made for them or one that even wants them. And that's just not sustainable. This Land Is Your Land (TLIYL) is a telling of our social story through the lens of the American people: how we became who we are and who we're in the process of becoming. It's about the systems we built, both generative and degenerative, from democracy and equality to slavery and social supremacy, and how everything about us is changing. Right this minute, we're in the midst of the greatest sociological shift in U.S. history, one where in every way we currently measure, we'll soon be a post-majority nation. By 2045, incumbent majorities from racial whiteness to Christianization to heteronormativity will all be downgraded to minority status. This Time of Turmoil, one where everything's shifting, is why we're experiencing so much unrest and instability, from rising poverty to increasingly caustic elections to diminishing human regard. But it's also why getting this right has never been more important or mattered more. A combination of personal vignettes and cultural analysis, TLIYL covers 300 years of shared history, one that's been shaped by nearly 550 million lives lived and explores how together we move forward. It's a story with three parts: Part One, How the American Race Construct, ARC, and other toxic frameworks impaired us; Part Two, How the Degenerative

Cycle DGC and other predatory processes imperiled us Part Two and Part Three How through personal practices like the Four Actions each of us can help us become a society that embraces all of us Today we find ourselves in a bit of a tough place But instead of an ending this shift we re undergoing might actually be a beginning a chance to both make our founding dreams real and gift the future a future And in doing so we transform ourselves into a new land one as Woody sang made for you and me This Land Is Your Land Michael J. Lannoo,2018-08-10
