

THOSE INCREDIBLE CHRISTIANS

BY DR. HUGH J. SCHONFIELD

AUTHOR OF THE PASSOVER PLOT

Those Incredible Christians

Hugh J. Schonfield

Those Incredible Christians:

Those Incredible Christians Hugh J. Schonfield, *Those Incredible Christians* is written as a companion to the bestseller *The Passover Plot* It continues the story after Jesus crucifixion to the movements surrounding the early disciples and how the message of the gospels developed It demonstrates with considerable evidence how the understanding of the role and person of Messiah became adapted and corrupted and how the conflicts and power struggles with the Church at Rome and the Roman Empire emerged Schonfield writes as an objective historian rather than as a theologian and ruthlessly tries to get behind the intensively researched data to give us a clearer picture of what happened in those times Learning from history we will find many parallels in today s world and maybe come to a clearer understanding of what is driving our society today

Those Incredible Christians Schonfield Hugh J. (author),1901 Those Incredible Christians Hugh Joseph Schonfield,1968 Those Incredible Christians Hugh Schonfield,1985 A fascinating reconstruction of the events surrounding the formation of the Church in the first hundred years of its existence *Those Incredible Christians [by] Hugh Schonfield* Hugh Joseph Schonfield,1968 **Those Incredible Christians** Hugh J. Schonfield,1969 **A Life for Mankind** Stephen A. Engelking, This book could have started with Once upon a time there was a Jewish boy who had a dream because it describes the life of a personality who was driven by a strong destiny fueled by the discovery of Jesus as the Messiah of history and with a plan to save mankind from self destruction He became a renowned biblical researcher the founder of a world nation and was to influence both the meek and the mighty He was a radical thinker and a man of action supported by a wife of equal strength and determination Often the subject of the most vitriolic and unjustifiable attacks he remained true to his vision and principles throughout his life By unveiling considerable previously unpublished sources the real man behind the Passover Plot is brought alive to the reader **The Living Church** ,1968 Terrorism, Islam, and Christian Hope James B. De Young,2004-12-09 **Becoming Christian** Nancy L. Kuehl,2014-10-06 The evolution of Christianity as it is known today began in Antioch but as *Becoming Christian* reveals it had once been quite different While most histories gloss over the earliest period of Christianity to begin with the Christian establishment this book uncovers the little known history within the gap between 31 and 70 CE when the Jesus Movement was headquartered in Jerusalem under the authority of James bar Joseph the brother of Jesus and the apostles served as missionaries carrying the teachings of Jesus throughout Judea Galilee and Samaria By the year 66 CE James and most of the apostles had died along with much of their teaching Paul s spiritual Jesus had gained a foothold among Gentiles in Antioch and throughout the West including Rome where it finally blossomed into a powerful political hierarchy No longer was Jesus humanity important to the church With the death of James the original movement fell into disarray and split into factions each developing its own doctrines Thus there arose numerous Christianities during the first two centuries many of which had become heretical The Jesus Movement had now become irrelevant to the church and as *Becoming Christian* reveals by the third century it would be publicly eradicated
