Recovering Faith Lorene Hanley Duquin, 2011-03-15 I was there physically but I was mentally and spiritually absent I had so much hurt and misinformation about what the Church was and wasn't While I would have liked for God to exist I could not in good conscience believe it Every person's journey of faith is filled with twists and turns Now Recovering Faith Stories of Catholics Who Came Home follows the personal and heartfelt faith journeys of 18 well known Catholics who have come back to their faith Some had fallen out of step with the Church through complacency or poor education Some were sidetracked by the lure of fame and fortune A few took a turn in Protestant traditions Others traveled through the darkness of atheism You'll be fascinated and encouraged by the way Christ touched each one to bring them all home The compelling stories include personal accounts from Martin Sheen actor Dean Koontz best selling novelist Clarence Thomas U S Supreme Court justice Dr Francis Beckwith former president of the Evangelical Theological Society Barbara Curtis author Leah Darrow America's Next Top Model finalist Janet Morana executive director of Priests for Life Teresa Tomeo Catholic radio personality

Seeing the Messiah Jonathan Kendall, 2025-07-14 Apparitions are real The evidence for their objective nature is immense and they are frequently not the transparent non physical manifestations depicted by Hollywood and popular culture Moreover some apparitions demonstrate blatantly physical characteristics to the point that they may be initially mistaken for real people Seeing the Messiah takes readers on a tour of case studies from eight well evidenced categories of apparitions that occur in nature These categories include visions of the bereaved those that linger in haunted houses figures that materialize during séances and apparitions that represent religious icons such as the Blessed Virgin Mary What exactly are apparitions Visitations from the supernatural realm Dramas created through telepathy Dr Kendall speculates on how these strange intrusions into our reality might best be interpreted and the implications this has for the nature of reality itself Having established the characteristics of this phenomenon Dr Kendall examines claims that Menachem Mendel Schneerson i e the Lubavitcher Rebbe was raised from the dead with special scrutiny of the post mortem encounters of the Rebbe to his followers He then evaluates the historical data used to support Jesus resurrection in light of the same apparitional data Do those who see the Messiah merely experience apparitions

How the Saints Shaped History Randall Petrides, 2023-04-28 In every era of the Catholic Church holy men and women have shaped history through their gifts and talents and most importantly through their resolute commitment to Jesus Christ Some led armies some founded monasteries some lived a radical call to charity and each one had a unique part to play How the Saints Shaped History focuses on the essential role of the saints as vessels of God's grace in moving the Church and the world through her two thousand year history Written especially for everyday Catholics hungry to learn more about the Faith this book is both

comprehensive and accessible It tells the story of how more than 180 saints from Saint Mary Magdalene to Pope Saint John Paul II led the Church through many crises and back to her spiritual roots As our Church continues to face crises this book reminds us that we still have reason to hope in our own time As the providential hand of God worked through the saints to shape history each of us is called to become a new saint to shape the history of the Church today **Be Not Afraid to Follow the Footprints from Heaven** John Carpenter, 2016-07-21 Does God really exist Is there really any evidence for that Can science prove that the Communion wine and bread actually turn into the flesh and blood of Jesus Christ Does the Shroud of Turin validate the mystical resurrection of Christ through careful expert scrutiny How can statues weep real human tears How can the bodies of deceased holy persons not decay for centuries What are angels and what roles do they play Want to hear how Heaven and Hell are described And historically hundreds of people worldwide have documented appearances by the Virgin Mary This just cannot be real or is it Psychiatric therapist John Carpenter takes you where few researchers have gone before Like a logical detective amassing the supernatural evidence for your consideration he presents historical accounts and miraculous events along with recent medical and scientific research to develop a credible and stunning conclusion His evidence may bring you to a refreshing new spiritual awareness at a time when doubt distraction materialism violence and self indulgence seem prevalent The implications are both joyful and chilling as Carpenter slowly seduces the reader into following him through the labyrinth of divine mysteries created by those footprints from heaven Be not afraid to take this journey and discover the Truth that could change your life
