A Shining Thread of Hope Darlene Clark Hine,Kathleen Thompson,2009-10-14 At the

greatest moments and in the cruelest times black women have been a crucial part of America's history. Now the inspiring history of black women in America is explored in vivid detail by two leaders in the fields of African American and women's history. *A Shining Thread of Hope* chronicles the lives of black women from indentured servitude in the early American colonies to the cruelty of antebellum plantations, from the reign of lynch law in the Jim Crow South to the triumphs of the Civil Rights era, and it illustrates how the story of black women in America is as much a tale of courage and hope as it is a history of struggle. On both an individual and a collective level, *A Shining Thread of Hope* reveals the strength and spirit of black women and brings their stories from the fringes of American history to a central position in our understanding of the forces and events that have shaped this country.

Blue Demon: A Memoir Of Addiction, Autism, And Survival Kyle Robicheaux, *Blue Demon: A Memoir of Addiction, Autism, and Survival* tears the skin off the polite narratives of mental illness and redemption. This is the story of Davey Blanch, a boy born into static and fire, autistic, unseen, and burning from the inside out. What begins as confusion and alienation spirals into full-blown psychosis, violence, addiction, and the kind of madness that chews through flesh and memory alike. There are no clean arcs here. No soft landings. Just hospitals that smell like bleach and blood, drugs that never numb quite enough, and a world that punishes difference with silence or a locked door. Davey doesn't find himself; he fights for scraps of identity in the wreckage, clawing through the fog of RoxyContin mania and broken time. Told in sharp, splintered prose that drips with pain and defiance, *Blue Demon* is a howl from the gutter, a memoir that doesn't care if you're comfortable; it just wants you to know what it really feels like to lose your mind and live through it. **A**
