Gregory, Pamela B. Rutledge, 2016-10-03 Looking for an introduction to positive psychology that offers real life examples This

overview of the science of happiness supplies case studies from some of the world's most successful organizations and describes ways to experience the personal impact of this exciting scientific field. Rather than focusing on treating what is wrong with a person, positive psychology seeks to understand and foster the things that drive happiness, creativity, and emotional fulfillment. This is a relatively new area of psychological study, and this reference book presents the research and practice of positive psychology in an informative and accessible format. Readers are given a history of the field, its current applications, and the future implications of this psychological discipline. Case studies from companies such as The Body Shop, Volvo, Zappos, and Google highlight the impact of positive psychology when it's applied in a modern business setting. These case studies, along with biographies of leaders in the field, highlight each chapter and connect the dots between the empirical theory of positive psychology and its practice. Readers also receive tools to apply the practices to their own lives.

Leadership Greatness Tri Junarso, 2009-03 If you have the qualities of leadership greatness, the GREAT factors, no one can stop you from becoming a leader. Great leadership does not start with what you already know, nor is it about what you say about yourself and your achievements. Instead, leadership greatness is what other people say about you after you have achieved some measure of success. In *Leadership Greatness*, author Tri Junarso guides you through the five qualities of being GREAT: Growth, Responsibility, Entrepreneurship, Authenticity, and Trust. Junarso frames these qualities in the context of both the competencies and skills that distinguish a leader. Imbuing your values and work ethic with these qualities will help you review, reframe, and build upon past experiences as you move initiatives forward. Junarso explains how to combine ethical, social, spiritual, and psychological competencies with a range of leadership and communication skills. By following Junarso's detailed and well-organized principles, you will develop the qualities of GREATness. Most importantly, GREAT leadership will allow you to spread influence throughout your organization, ultimately leading to successful outcomes. With its massive reference section, you'll use this book as a go-to guide each time you seek leadership inspiration.
