Vertical Church James MacDonald,2012 This is a total shift in church thinking A church where honoring God and adoring His Son and proclaiming His word and seeking His face are the focus Where challenging people inviting them to something harder and calling them to something deeper is the norm *Vertical Church: What Every Heart Longs For, What Every Church Can Be - Member Book* James MacDonald,2012-08 A new model for church is desperately needed and Vertical Church is fanning the flame This study provides a personal study experience to help get beyond a human centered horizontal church to focus on seeking God s glory **Vertical Church Leader Kit** James MacDonald,2012-08-01 A new model for church is desperately needed and Vertical Church is fanning the flame This study provides a personal study experience to help get beyond a human centered horizontal church to focus on seeking God s glory Holy Spirit Downloads ...and Other Cool Stuff Katherine A. M. Thomas,2020-03-06 These pages contain a selection of what I refer to as Holy Spirit bombs That is they were penetrating downloads from the Lord which He dropped in my spirit 2009 2019 and had the effect of drawing me ever closer into His Kingdom perspective of life But one can t really use the word bomb in the title of a book without raising some eyebrows Not that I m against raising eyebrows mind you It s just that when I do I hope it won t be simply because of a book title So I ve substituted downloads for bombs Don t tell anyone Other cool stuff is a smorgasbord of inspirational random and winsome thoughts Together I hope these inspire you to hear Holy Spirit giving you your own downloads Jeremiah 33 3 1 Corinthians 2 9 12 and to have a really great day **Called to Stay** Caleb Jennings Breakey,2013 Will You Stay Caleb Breakey prays to God you do In *Called to Stay* Breakey takes a refreshingly honest look at the church the problem of Millennials leaving and the stark reality of why the church desperately needs them He holds nothing back as he unleashes an ambitious rallying cry to heal the church and inject his generation s desire for truth passion and conviction into other believers Caleb knows that answering the challenge of his own generation leads to a transformed church And a changed church can change the world **Experiencing the Presence of God** Timothy Kong,2014-02-03 What does it mean to have God s Presence upon our lives In the Christian faith there are so many people who have not experienced the proper teaching regarding God s powerful presence in their lives This workbook is meant to help you take you into a deeper study on how you can apply God s Presence in your life **Exalting Jesus in 1 & 2 Thessalonians** Mark Howell,2015-02-01 Led by series editors David Platt Daniel L Akin and Tony Merida this series affirms that the Bible is a Christ centered book containing a unified story of redemptive history of which Jesus is the hero It s presented as sermons divided into chapters that conclude with a Reflect Discuss section making this series ideal for small group study personal devotion and even sermon preparation *Vertical Church* James MacDonald,2012-09-07 **Leading the Presence-Driven Church** John Piippo,2017-12-19 This is a book about the primacy and centrality of God and his unsurpassable presence and what this means for the Church The presence of God is the core the sine qua non of mere Christianity Gods presence is what is needed to win the day over the

present powers of darkness This book shows what it means for a church to be presence driven and what leadership looks like in the presence driven church *A Defense of Youth Ministry* Ron Belsterling, 2019-04-04 Youth ministry succeeds because it directly reflects Jesus Christ's approach It's not overvalued today it's undervalued The hard work required for its success has been misunderstood and misrepresented The first part of the book establishes that case and analyzes the pros and cons of current varying philosophies and approaches merging their best aspects into the holistic approach demonstrated by Christ Part 2 introduces Attachment Relationship Ministry ARM a lens distinguishing four primary adolescent relational styles depending on how secure or insecure teens are with God and parents Part 3 encourages strategic relational ministry sensitive to those styles explaining why youth leader efforts succeed or fail Chapters offer realistic discipleship and evangelism suggestions depending on attachment styles and practically empowering youth workers volunteers newbies experts and interns to focus energy and time more wisely These recommendations relate to spiritual formation leadership selection parental approach and trending issues such as ministry to LGBTQIA teens For too many teens today feeling insecure in crisis is a way of life Learn how to take what you've done well and make it better All church leaders should read this book logging the critical importance of providing ministry specifically targeting teenagers today
