Subcommittee on Economic Opportunity,2014 *The Psychosocial Impacts of Whistleblower Retaliation* Jacqueline Garrick,Martina Buck,2022-12-12 This book analyzes the harms related to whistleblower retaliation its psychosocial impacts on employees and the institutional dysfunction it creates and perpetuates Stigma and biases against whistleblowers interfere with their ability to make protected disclosures when harm to others is at stake Retaliatory toxic tactics create an atmosphere and corporate culture that embodies fear and encourages bystander behavior In this book the authors explore psychosocial impacts across domains that include financial legal social physical and emotional well being Ten of the 14 chapters specifically examine the toxic tactics of retaliation gaslighting mobbing marginalizing shunning devaluing double binding career blocking counter accusing bullying and doxxing These toxic tactics are the building blocks of workplace traumatic stress WTS and can lead to posttraumatic stress disorder PTSD depression substance abuse and suicide WTS is a term that differentiates between workplace violence or job stress which can be components of WTS but do not fully describe the systemic hostile work environment that targets an employee Understanding WTS and how it disrupts identity causes moral injury and shatters world views are important aspects for clinicians treating clients who are victims of this kind of hostile work environment The Psychosocial Impacts of Whistleblower Retaliation is a useful resource offering a new way for social workers mental health providers advocates and other support services professionals and practitioners to assist whistleblowers It helps clinicians understand how to view patients suffering from whistleblower retaliation and gives them a lexicon for forensic evaluations Lawyers especially those specializing in employment labor and Qui Tam cases also could benefit from having a means to describe the psychosocial impacts of retaliation and WTS on their clients when filing for compensatory damages for pain and suffering during judicial proceedings Finally the book could appeal to employees and managers human resources professionals victim rights advocates elected officials media personnel and other professionals who are interested in learning more about whistleblower retaliation and its psychosocial and cultural implications *BROKEN PROMISES* LtCol Ted Blickwedel,2023-08-18 Witness the Heroic yet devastating Crusade by WHISTLEBLOWER combat veteran and retired Marine Corps LtCol Ted Blickwedel who took on the Department of Veterans Affairs VA to defend Veterans quality care and the well being of those who serve them Blickwedel a Licensed Clinical Social Worker and VET Center counselor for the VA fought valiantly to protect veterans their families and

counselors from the VA's misguided harmful and unethical clinical performance policies which turned patients into numbers and severely compromised the mental health and welfare of both Veterans and the clinicians who serve them. Consequently, VA management was no longer keeping the promise Abraham Lincoln made in 1865 after the Civil War: To care for him who shall have borne the battle and for his widow and his orphan. Now the VA was breaking the promise. Broken Promises also uncovers the toxic malicious and deceptive whistleblower retaliation tactics inflicted on Blickwedel by VA officials designed to silence him from speaking truth to power and it reveals the horrific impact these retributions had on himself, family members, clients, and counselors. Though defamed, marginalized, gaslighted, mobbed, and experiencing traumatic near-death health challenges, he marched steadfastly on. Despite being forced to leave the job he loved counseling his fellow veterans, Blickwedel was compelled and determined to expose and correct the callous misconduct, injustice, and abuse perpetrated by VA management. A federal Government Accountability Office (GAO) investigation, Blickwedel helped instigate, substantiated his allegations, which led to the U.S. Congress passing legislation into law that ensures VA leadership is accountable for protecting the quality of care for our Veterans and their families as well as safeguarding the well-being and morale of counselors who provide services to them at over 300 VET Centers nationwide. Broken Promises further gives hope to those who undertake similar campaigns to report corruption, neglect, and maltreatment by providing indispensable guidelines that will greatly enhance the effectiveness of the endeavor while granting a better chance for a more favorable outcome. Also, self-care strategies are offered, which are essential to maintain good health and resilience throughout such an overwhelming ordeal. Blickwedel's unwavering battle to rectify jeopardized mental health care and endangered counselor welfare within the VA VET Center program has been featured on NBC and NPR, to include the Military Times, other publications, and local news broadcasts. A man of courage, integrity, and tireless resolve, Blickwedel epitomizes all that is great in our American heroes.
