Victorian England as Seen by Punch Frank Edward Huggett, 1978

Cartooning China Amy Matthewson, 2022-03-17 This book explores the series of cartoons of China and the Chinese that were published in the popular British satirical magazine *Punch* over a sixty year period from 1841 to 1901 Filled with political metaphors and racial stereotypes these illustrations served as a powerful tool in both reflecting and shaping notions and attitudes towards China at a tumultuous time in Sino British history A close reading of both the visual and textual satires in *Punch* reveals how a section of British society visualised and negotiated with China as well as Britain's position in the global community By contextualising *Punch*'s cartoons within the broader frameworks of British socio cultural and political discourse the author engages in a critical enquiry of popular culture and its engagements with race geopolitical propaganda and public consciousness With a wide array of illustrations this book in the *Global Perspectives in Comics Studies* series will be an important resource for scholars and researchers of cultural studies political history and Empire Chinese studies popular culture Victoriana as well as media studies It will also be of interest to readers who want to learn more about *Punch* its history and Sino British relations

Merchant Princes and Charlatans or Makers of Money? Henry Sless, 2022-01-01 This book provides a critical analysis of visual images of British and international finance during the nineteenth century Its focus is on the financiers themselves contrasting the depiction of the respectable Merchant Princes with the less than perfect charlatans white collar criminals who defrauded investors of millions The breakdown of trust between financiers and investors that evolved during this period is represented visually in depictions of the emotional response of investors to the uncertain financial climate Throughout the book a PEARL methodology has been used to critique the images reflecting the impact of any Publisher's political bias the Editorial and Artistic techniques used to convey the messages in the images and the Legal context especially a concern in countries such as France and Germany where censorship was strict The book concludes that white collar criminals were invariably secretly admired in Britain and rarely severely satirised Similarly Merchant Princes were depicted favourably in Britain as members of the ruling elite during the latter half of the century This is contrasted with the more extreme anti monopolistic images in the US and the extreme anti Semitic treatment of Jewish financiers in France and Germany

Disreputable Pleasures Mike Huggins, J. A. Mangan, 2004 Challenging the respectable image of Victorian society this irreverent revisionist collection explores the sinful side of middle class Victorian leisure highlighting the problematic relationship between public respectability and private pleasure

110 Years of Taxation from Pitt to Lloyd George Henry Sless, 2023-10-16 This book offers a multi disciplinary visual analysis of British taxation history during the long nineteenth century Focusing specifically on cartoons from the period the book utilises the author's innovative PEARL methodology to analyse the impact of Publishers attitudes

Editorial techniques Artistic methods Readers responses and Legal context on historical images published in this period The book outlines a financial and visual context for the long nineteenth century discussing the importance of political images during a period when the relationship between the state and the taxpayer was fundamentally shifting The state of public finance in Britain as a whole including the growth of institutional finance the economic impact of wars and attempts to reduce the national debt are considered alongside an exploration of the recurring iconographical styles of the period The book situates the visual history of taxation within a wider context of politicised images responding to fiscal events and uses the PEARL analysis technique to pinpoint nuanced and evolving public attitudes towards tax structures in Britain as well as comparative developments in the US such as the impact of the Civil War and income tax debates The book will be of interest to financial historians and academic cultural historians as well as all those interested in visual culture and political imagery

Asian Punches Hans Harder, Barbara Mittler, 2013-06-24 This book deals with Punches and Punch like magazines in 19th and 20th century Asia covering an area from Egypt and the Ottoman Empire in the West via British India up to China and Japan in the East It traces an alternative and largely unacknowledged side of the history of this popular British periodical and simultaneously casts a wide reaching comparative glance on the genesis of satirical journalism in various Asian countries Demonstrating the spread of both textual and visual satire it is an apt demonstration of the transcultural trajectory of a format intimately linked to media bound public spheres evolving in the period concerned **The Library** Arthur der Weduwen, Andrew Pettegree, 2021-10-14 LONGLISTED FOR THE HISTORICAL WRITERS ASSOCIATION NON FICTION CROWN A SUNDAY TIMES NON FICTION BOOK OF THE YEAR Timely a long and engrossing survey of the library FT A sweeping absorbing history deeply researched Richard Ovenden author of *Burning the Books* Famed across the known world jealously guarded by private collectors built up over centuries destroyed in a single day ornamented with gold leaf and frescoes or filled with bean bags and children's drawings the history of the library is rich varied and stuffed full of incident In this the first major history of its kind Andrew Pettegree and Arthur der Weduwen explore the contested and dramatic history of the library from the famous collections of the ancient world to the embattled public resources we cherish today Along the way they introduce us to the antiquarians and philanthropists who shaped the world's great collections trace the rise and fall of fashions and tastes and reveal the high crimes and misdemeanours committed in pursuit of rare and valuable manuscripts

Cartoon Conflicts Richard Scully, Paulo Jorge Fernandes, Ritu Gairola Khanduri, 2025-07-28 This edited collection of new research highlights the way in which the cartoon long regarded as a staple of journalism and freedom of expression faces new challenges in the twenty first century that can be far better understood and appreciated if one takes an historical perspective Current debates over the limits of freedom of expression political correctness and cancel culture all have their precedents in past controversies over cartoons and caricature indeed there is a definite continuum between these past instances of debate and their present manifestations Chapters 2 and 10 are available open access under a Creative Commons

English Feminism, 1780-1980 Barbara Caine, 1997-07-10

Barbara Caine's fascinating analysis of feminism in England examines the relationship between feminist thought and actions and wider social and cultural change over two centuries. Professor Caine investigates the complex question surrounding the concept of a feminist tradition and shows how much the feminism of any particular period related to the years preceding or following it. Though feminism may have lacked the kind of legitimating tradition evident in other forms of political thought, the ghost of Mary Wollstonecraft was something which all nineteenth and twentieth century feminists had to come to terms with. Her story was a constant reminder of the connection between the demand for political and legal rights and its conflation with the issues of personal and sexual rebellion. Like Wollstonecraft, every woman pioneer into the public arena faced assaults on her honour as well as on her intellectual position. The author also addresses the language of feminism, the introduction and changing meanings of the term feminist, the importance of literary representations of women and the question of how one defines feminism and establishes boundaries between feminism and the woman question. She ends with a discussion of the new emphasis post 1980s on the need to think about feminisms in the plural rather than any single kind of feminism. Analysis of feminist organizations, debates and campaigns shows a keen sense of the relationship between feminist thought and actions and wider social and cultural change. The result is a fascinating study with a new perspective on feminists and feminist traditions which can be used both as an introductory text and as an interpretative work. Professor Caine examines the complex questions surrounding the concept of a feminist tradition and shows how much the feminism of any particular period related to the years preceding or following it. Though feminism may have lacked the kind of legitimating tradition evident in other forms of political thought, the ghost of Mary Wollstonecraft is seen here as something which all nineteenth and twentieth century feminists had to come to terms with. Her story was a constant reminder of the connection between the demand for political and legal rights and its conflation with the issues of personal and sexual rebellion. Like Mary Wollstonecraft, every woman pioneer into the public arena was faced with assaults on her honour as well as on her intellectual position.
