## Victorian Dictionary Slang Phrase:

**The Victorian Dictionary of Slang & Phrase** James Redding Ware, 2015 Acutely aware of the changes in English usage at the close of the Victorian era the lexicographer James Redding Ware 1832 1909 decided to record for posterity new and archaic words and phrases from all walks of life from the curses in common use by sailors and the rhyming slang of the street to the jargon of the theatre dandies Where else would you turn to learn the meaning of Bow wow mutton Air hole Lally gagging and Damper Ware's dictionary first published in 1909 is a treasure trove of the everyday language of the nineteenth century showing the influence of American English on Victorian slang as well as historical and innovative words and phrases While it presents numerous expressions now obsolete and some terms and definitions in the idiom of the era which would not now be considered acceptable it also uncovers the origins and meaning of many slang words still in use today Reproduced in facsimile with an introduction by John Simpson Chief Editor of the Oxford English Dictionary this dictionary provides a fascinating and highly entertaining witness to the colourful history of unofficial English PASSING ENGLISH OF THE VICTORIAN ERA J. REDDING. WARE, 2018 **Passing English of the Victorian Era** James Redding Ware, 1986

*Passing English of the Victorian Era* James Redding Ware, 1972 Passing English of the Victorian Era J. Redding Ware, 2015-11-25 This new version of the book contains all the original text including the pages missing or unreadable from other reprints Most of the obvious errors from the original printing have also been cleaned up This edition is not a cut and paste job or a collection of inferior scans it has been lovingly retyped and checked paragraph by paragraph The aim of this new edition is to make the book a reference work in its own right Read in its original version the book can seem a little arcane with reference to events and people that have been forgotten by anyone but historians but would be well known to the educated man of the time The author assumed that his reader had a fairly classical education and a firm understanding of social and political events with Victorian history freshly in their minds His typical reader would be a well read gentleman with an understanding of Latin and French and an appreciation for the theatre and good literature Few modern readers will understand all of the references given in the text of the original book so this edition has been expanded to make reading it as enjoyable and as enlightening as possible the aim being to enable understanding without having to look up the people or places mentioned in other books To this end hundreds of Publisher's Notes have been inserted into and among the original text Each note gives a brief explanation of obscure words translates foreign terms gives a brief biography of people mentioned or otherwise provides further information for the modern reader It is hoped that these additions improve the usability of what is already a classic piece of work *A Dictionary of Slang, Cant, and Vulgar Words* John Camden Hotten, 2023-10-25 In *A Dictionary of Slang Cant and Vulgar Words* by John Camden Hotten readers are transported to the underbelly of Victorian England through a comprehensive compilation of unconventional language Hotten's book serves as a window into the vernacular of the time shedding light on the hidden subcultures and unsavory aspects of society The literary

style of the dictionary is informative yet engaging allowing readers to delve into the world of slang and colloquial speech with ease This work is a vital resource for scholars and linguists studying the linguistic evolution of the era Hotten s meticulous attention to detail and thorough research make this dictionary a valuable addition to any library John Camden Hotten s extensive background in publishing and interest in language likely inspired him to create such a comprehensive dictionary His passion for preserving the unconventional language of the time is evident in the meticulous compilation of entries in the book With a keen eye for detail and a dedication to historical accuracy Hotten has left a lasting legacy with this work I highly recommend *A Dictionary of Slang Cant and Vulgar Words* to readers interested in exploring the hidden intricacies of Victorian English language Hotten s meticulous research and comprehensive approach make this dictionary a valuable resource for anyone studying the history of language or seeking a deeper understanding of the linguistic landscape of the era

Redding Ware,2015-07-04 Excerpt from *Passing English of the Victorian Era A Dictionary of Heterodox English Slang and Phrase* Here is a numerically weak collection of instances of Passing English It may be hoped that there are errors on every page and also that no entry is quite too dull Thousands of words and phrases in existence in 1870 have drifted away or changed their forms or been absorbed while as many have been added or are being added Passing English ripples from countless sources forming a river of new language which has its tide and its ebb while its current brings down new ideas and carries away those that have dribbled out of fashion Not only is Passing English general it is local often very seasonably local Careless etymologists might hold that there are only four divisions of fugitive language in London west east north and south But the variations are countless Holborn knows little of Petty Italia behind Hatton Garden and both these ignore Clerkenwell which is equally foreign to Islington proper in the South Lambeth generally ignores the New Cut and both look upon Southwark as linguistically out of bounds while in Central London Clare Market disappearing with the nineteenth century had if it no longer has a distinct fashion in words from its great and partially surviving rival through the centuries the world

of Seven Dials which is in St Giles St James's being practically in the next parish In the East the confusion of languages is a world of variants there must be half a dozen of Anglo Yiddish alone all however outgrown from the Hebrew stem Passing English belongs to all the classes from the peerage class who have always adopted an imperfection in speech or frequency of phrase associated with the court to the court of the lowest costermonger who gives the fashion to his immediate entourage Much passing English becomes obscure almost immediately upon its appearance such as Whoa Emma or How's Your poor feet About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works     *Dictionary of the Slang-English of Australia and of Some Mixed Languages* Karl August Lentzner,1892     *Passing English of the Victorian Era* James Redding Ware,2014-03 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book

### **Victorian Dictionary Slang Phrase Introduction**

In today's digital age, the availability of Victorian Dictionary Slang Phrase books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Victorian Dictionary Slang Phrase books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Victorian Dictionary Slang Phrase books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Victorian Dictionary Slang Phrase versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Victorian Dictionary Slang Phrase books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Victorian Dictionary Slang Phrase books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Victorian Dictionary Slang Phrase books and manuals is Open Library. Open

Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Victorian Dictionary Slang Phrase books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Victorian Dictionary Slang Phrase books and manuals for download and embark on your journey of knowledge?
