Creation and Christian Ethics Dennis P. Hollinger, 2023-11-07 Creation is a foundational pillar of the biblical storyline yet it plays little role in contemporary evangelical ethics Seeking to correct this oversight Dennis Hollinger employs the creation story and creation themes throughout Scripture as a foundation for Christian ethics After demonstrating why creation is theologically significant and important for Christian ethics Hollinger develops major creation paradigms that provide ethical guidance on a wide range of issues including money sex power racism creation care social institutions and artificial intelligence among many others Creation and Christian Ethics shows throughout that the triune God creates from

love and in that creation are moral designs for humanity's journey in God's world Professors and students of Christian ethics will find this a valuable resource for the classroom while pastors and church leaders will benefit from personal and small group study
