What Is The Of Enoch:

The Book of Enoch Enoch,2022-10-23 The Book of Enoch is an ancient religious text traditionally ascribed to the Judeo-Christian prophet Enoch the ancestor of the biblical figure Noah Some scholars estimate that some parts of the book vary widely in age from several hundred years before Christ to the last parts in the century before the birth of Jesus This text is widely considered non canonical although it is accepted that it is a genuine attempt to record information as best the authors were able in the pre Christian era In the text Enoch is a figure who receives direct personal revelation from God He sees the magnificence of God and begins to preach to those around him against sin He warns that the sinners will be winnowed and that God himself will appear on Mount Sinai to judge the humans as well as the fallen angels on Earth Among the more controversial material within this text is the detailed account it gives of fallen angels on earth and their cursed offspring the Nephilim Azazel features heavily as the instigator of metal weapon production the use of cosmetics and advocate of widespread promiscuity and fornication In this book the figure of Enoch is charged with the knowledge of God s chosen and brutal punishment for the Nephilim their human mothers and their Angel fathers August Dillman s translation from the Ethiopian is part of his extensive work translating biblical era manuscripts and this particular version is augmented with his observations Latin excerpts and a stunning foreword by R H Charles One of the most important apocryphic works of the Second Temple Period is Enoch According to the biblical narrative Genesis 5 21 24 Enoch lived only 365 years far less than the other patriarchs in the period before the Flood Enoch walked with God then he was no more for God took him The original language of most of this work was in all likelihood Aramaic an early Semitic language Although the original version was lost in antiquity portions of a Greek translation were discovered in Egypt and quotations were known from the Church Fathers The discovery of the texts from Qumran Cave 4 has finally provided parts of the Aramaic original In the fragment exhibited here humankind is called on to observe how unchanging nature follows God s will The Book of Enoch is a pseudoepigraphal work a work that claims to be by a biblical character The Book of Enoch was not included in either the Hebrew or most Christian biblical canons but could have been considered a sacred text by the sectarians The original Aramaic version was lost until the Dead Sea fragments were discovered The Book of Enoch Enoch,2015-04-30 Genesis 5 24 And Enoch walked with God and he was not for God took him Hebrews 11 5 By faith Enoch was translated that he should not see death and was not found because God had translated him For before his translation he had this testimony that he pleased God Jude 1 14 And Enoch also the seventh from Adam prophesied of these saying Behold the Lord commeth with ten thousands of his Saints Jude 1 15 To execute judgement vpon all and to convince all that are vngodly among them of all their vngodly deeds which they haue vngodly committed and of all their heard speeches which vngodly sinners haue spoken against him The quote which Enoch makes in Jude 14 is found within the early portions of The Book of Enoch Therefore we may conclude that the disciples of Jesus The Christ studied The Book of Enoch This is the most common explanation to how

they were able to quote Enoch *The Book of Enoch the Prophet* Enoch,2015-09-11 The book of Enoch is one of the strangest of the books left out of the Biblical canon Filled with goetic angels and demons and visions of inconceivable lands beyond the sky The Book of Enoch the Prophet Translated by the late Richard Laurence Modern research sees in the Epistle of Jude a work of the second century but as orthodox theologians accept its contents as the inspired utterance of an Apostle let us diligently search the Hebrew Scriptures for this important forecast of the second Advent of the Messiah In vain we turn over the pages of the sacred Canon not even in the Apocrypha can we trace one line from the pen of the marvellous being to whom uninterrupted immortality is assigned by apostolic 1 interpretation of Genesis v 24 Were the prophecies of Enoch therefore accepted as a Divine revelation on that momentous day when Jesus explained the Scriptures after his resurrection to Jude and his apostolic brethren and have we moderns betrayed our trust by excluding an inspired record from the Bible Reverting to the second century of Christianity we find Iren us and Clement of Alexandria citing the Book of Enoch without questioning its sacred character Thus Iren us assigning to the Book of Enoch an authenticity analogous to that of Mosaic literature affirms that Enoch although a man filled the office of God s messenger to the angels Tertullian who flourished at the close of the first and at the beginning of the second century whilst admitting that the Scripture of Enoch is not received by some because it is not included in the Hebrew Canon speaks of the author as the most ancient prophet Enoch and of the book as the divinely inspired autograph of that immortal patriarch preserved by Noah in the ark or miraculously reproduced by him through the inspiration of the Holy Spirit Tertullian adds But as Enoch has spoken in the same scripture of the Lord and every scripture suitable for edification is divinely inspired let us reject nothing which belongs to us It may now seem to have been disavowed by the Jews like all other scripture which speaks of Christ a fact which should cause us no surprise as they were not to receive him even when personally addressed by himself These views Tertullian confirms by appealing to the testimony of the Apostle Jude The Book of Enoch was therefore as sacred as the Psalms or Isaiah in the eyes of the famous theologian on whom modern orthodoxy relies as the chief canonist of New Testament scripture Origen A D 254 in quoting Hebrew literature assigns to the Book of Enoch the same authority as to the Psalms In polemical discussion with Celsus he affirms that the work of the antediluvian patriarch was not accepted in the Churches as Divine and modern theologians have accordingly assumed that he rejected its inspiration but the extent to which he adopts its language and ideas discloses personal conviction that Enoch was one of the greatest of the prophets Thus in his treatise on the angels we read We are not to suppose that a special office has been assigned by mere accident to a particular angel as to Raphael the work of curing and healing to Gabriel the direction of wars to Michael the duty of hearing the prayers and supplications of men 2 From what source but assumed revelation could Origen obtain and publish these circumstantial details of ministerial administration in heaven The Book of Enoch Prophet Enoch,2023-01-06 Enoch walked with God then he was no more for God took him The Book of Enoch is a pseudoepigraphal work a work that claims to be by a biblical character The Book of Enoch was not

included in either the Hebrew or most Christian biblical canons but could have been considered a sacred text by the sectarians. The original Aramaic version was lost until the Dead Sea fragments were discovered. This is a compilation of several separate works, most of which are apocalyptic. Its oldest portion is the Apocalypse of Weeks, written shortly before the Maccabean uprising of 167 BC against the Seleucids. The Ethiopic Book of Enoch is called a pseudepigraphical work, meaning one that is not included in any canon of scripture outside of even the Apocrypha. The only complete extant version is an Ethiopic translation of a previous Greek translation made in Palestine from the original Hebrew or Aramaic. The Book of the Watchers tells the story of fallen angels from Gen 6:1-4 that took wives, created the Nephilim, and taught advanced technology to mankind, ultimately leading to the great flood and their destruction. The Parables of Similitude is an apocalyptic book about the Son of Man and the Ancient of Days. These ancient prophecies of Jesus are directly in line with what we find in the Bible and are remarkably similar to The Book of Revelation. The Book of the Courses of the Heavenly Luminaries is a detailed account of the stars and their functions. The Dream Visions is the prophecy of all human history from the creation of mankind all the way to the end times and the final judgement. The past, present, and future are foretold in grand detail. The prophecy of weeks is similar to the prophecy structure in the book of Daniel. The Noah Fragments is the untold story of Noah from the Bible. We learn more about his mission to save all humanity and the struggles of his father Lamech and his grandfather Methuselah. Finally included herein are all known fragments of The Book of Giants. Each work is independent, but all the works are bound by a common theme: the punishment of the wicked and the blessedness of the righteous.

Antarctica: the prison of fallen angels in Enoch's prophecy Cinzia Palmacci, 2023-09-21. Why do so many powerful people on Earth often go to Antarctica? What do they know about us that is important? Is Antarctica the kingdom of the antichrist? One thing is certain: the hybrid offspring of Lucifer for millennia have been interacting and working to pervert Creation and persecute humanity. We see this from the iniquitous laws of a ruling class in corrupt and evil-minded power. It is written that Enoch and the prophet Elijah will return for the final battle against the antichrist. And it doesn't seem to be that far off. Knowing is defending and reacting. Enjoy reading.

The Book of the Secrets of Enoch the Prophet Richard Laurence, 2020-09-28. In the 1952 version of the Epistle of Jude, we read the following words: Enoch also the seventh from Adam prophesied of these saying: Behold the Lord cometh with ten thousands of his saints to execute judgment upon all, and to convince all that are ungodly among them of all their ungodly deeds which they have ungodly committed, and of all their hard speeches which ungodly sinners have spoken against Him. Modern research sees in the Epistle of Jude a work of the second century, but as orthodox theologians accept its contents as the inspired utterance of an Apostle, let us diligently search the Hebrew Scriptures for this important forecast of the second Advent of the Messiah. In vain we turn over the pages of the sacred Canon, not even in the Apocrypha can we trace one line from the pen of the marvellous being to whom uninterrupted immortality is assigned by apostolic interpretation of Genesis v. 24. Were the prophecies of Enoch therefore accepted as a Divine revelation on that

momentous day when Jesus explained the Scriptures after his resurrection to Jude and his apostolic brethren and have we moderns betrayed our trust by excluding an inspired record from the Bible Reverting to the second century of Christianity we find Iren us and Clement of Alexandria citing the Book of Enoch without questioning its sacred character Thus Iren us assigning to the Book of Enoch an authenticity analogous to that of Mosaic literature affirms that Enoch although a man filled the office of God s messenger to the angels Tertullian who flourished at the close of the first and at the beginning of the second century whilst admitting that the Scripture of Enoch is not received by some because it is not included in the Hebrew Canon speaks of the author as the most ancient prophet Enoch and of the book as the divinely inspired autograph of that immortal patriarch preserved by Noah in the ark or miraculously reproduced by him through the inspiration of the Holy Spirit Tertullian adds But as Enoch has spoken in the same scripture of the Lord and every scripture suitable for edification is divinely inspired let us reject nothing which belongs to us It may now seem to have been disavowed by the Jews like all other scripture which speaks of Christ a fact which should cause us no surprise as they were not to receive him even when personally addressed by himself These views Tertullian confirms by appealing to the testimony of the Apostle Jude 1 The Book of Enoch was therefore as sacred as the Psalms or Isaiah in the eyes of the famous theologian on whom modern orthodoxy relies as the chief canonist of New Testament scripture Origen A D 254 in quoting Hebrew literature assigns to the Book of Enoch the same authority as to the Psalms In polemical discussion with Celsus he affirms that the work of the antediluvian patriarch was not accepted in the Churches as Divine and modern theologians have accordingly assumed that he rejected its inspiration but the extent to which he adopts its language and ideas discloses personal conviction that Enoch was one of the greatest of the prophets Thus in his treatise on the angels we read We are not to suppose that a special office has been assigned by mere accident to a particular angel as to Raphael the work of curing and healing to Gabriel the direction of wars to Michael the duty of hearing the prayers and supplications of men From what source but assumed revelation could Origen obtain and publish these circumstantial details of ministerial administration in heaven Turning to the Book of Enoch we read After this I besought the angel of peace who proceeded with me to explain all that was concealed I said to him Who are those whom I have seen on the four sides and whose words I have heard and written down He replied The first is the merciful the patient the holy Michael The second is he who presides over every suffering and every affliction of the sons of men the holy Raphael The third who presides over all that is powerful is Gabriel And the fourth who presides over repentance and the hope of those who will inherit eternal life is Phanuel We thus discover the source of Origen s apparently superhuman knowledge and detect his implicit trust in the Book of Enoch as a Divine revelation When primitive Christianity had freely appropriated the visions of Enoch as the materials of constructive dogmas this remarkable book gradually sank into oblivion disappeared out of Western Christendom and was eventually forgotten by a Church which unconsciously perpetuated its teaching as the miraculous revelations of Christianity

the Angels, the Watchers and the Nephilim Richard Laurence, 2021-12-07 other Christian denominations and scholars accept it only as having historical or theological non canonical interest and frequently use or assigned it as supplemental materials within academic settings to help students and scholars discover or better understand cultural and historical context of the early Christian Church The Book of Enoch provides commentators valuable insight into what many ancient Jews and early Christians believed when God who at sundry times and in divers manners spake in time past unto the fathers by the prophets Heb 1 1 As Dr Michael S Heiser in the Introduction to his important book *Reversing Hermon* so powerfully notes For those to whom 1 Enoch sounds unfamiliar this is the ancient apocalyptic literary work known popularly but imprecisely as the Book of Enoch Most scholars believe that 1 Enoch was originally written in Aramaic perhaps as early as the 3rd century B C The oldest fragments of the book were found among the Dead Sea Scrolls and dated to roughly the second century B C This places the book squarely in the middle of what scholars call the Second Temple Period ca 500 B C 70 A D an era more commonly referred to as the Intertestamental Period This book will use the more academic designation Second Temple Period The Watcher story of 1 Enoch as many readers will recall is an expansion of the episode described in Genesis 6 1 4 where the sons of God Hebrew *beney ha elohim* came in to the daughters of man Gen 6 4 ESV Consequently Watchers is the Enochian term of choice among others for the divine sons of God While the story of this supernatural rebellion occupies scant space in Genesis it received considerable attention during the Second Temple Period The Enochian version of the events of Gen 6 1 4 preserves and transmits the original Mesopotamian context for the first four verses of the flood account Every element of Gen 6 1 4 has a Mesopotamian counterpoint a theological target that provides the rationale for why these four verses wound up in the inspired text in the first place Connections to that backstory can be found in the Old Testament but they are scattered and unsystematically presented This is not the case with Second Temple Jewish literature like 1 Enoch Books like 1 Enoch preserve all of the Mesopotamian touchpoints with Gen 6 1 4 when presenting their expanded retelling of the events of that biblical passage The Book of Enoch is therefore intended to be an important supplemental resource for assisting serious researchers and students in the study of the Bible A room without books is like a body without a soul A 19th century classics literature edition *The Book of Enoch Or I Enoch* Matthew Black, James C. The Book of Enoch* Jim Garton, 2020-06-17

The Book of Enoch is an ancient text that many are convinced should be considered as scripture. Some even claim the Book of Enoch was once in the Bible and advocate for its acceptance as God's inspired word. Are these advocates right? Is the Book of Enoch inspired scripture? Should the Book of Enoch be in the Bible? In *The Bible Vs. The Book of Enoch* we will compare teachings found in the Book of Enoch with the Bible to see if they agree. We will also put the Book of Enoch through the Deuteronomy false prophet test. Will it pass? Get the book to find out. This small book is full of content that will convince any advocate of the Book of Enoch to rethink their support for this dangerous text. The book is designed to summarize critical and alarming facts to hopefully steer Bible believers away from the multitude of false teachings found in the Book of Enoch. This book is a compact witnessing and study tool that can be shared with others in a one on one or group study. Some topics discussed will include:

- The Bible Vs. The Book of Enoch on specific creation passages
- The Bible Vs. The Book of Enoch on the fall of humanity
- The Bible Vs. The Book of Enoch on the Flood, Noah and the Ark
- Are the Sons of God angels? Strange, weird and unbiblical concepts found in the Book of Enoch.
- A shocking revelation of who the Book of Enoch claims is the Messiah.
- Did Jude and Peter quote from the Book of Enoch or another source? What are those sources?
- Did the children of the angels become demons?
- The Biblical hell compared to the Book of Enoch's concept of hell.
- And much more.

The author hopes that this book will prevent believers from getting caught up in the false doctrines and untruthful information found in the Book of Enoch by showing how the Bible and the Book of Enoch teach a very different message.

Book of Enoch's Secrets Rev. Joseph Klaus, 2020-08-06

Enoch, Chanokh or Hanokh is the name given to one of the most peculiar and mysterious biblical characters in Scripture. He was born according to the Jewish writings in the seventh generation after Adam, being the son of Jared and father of Methuselah. Enoch is the subject of many Jewish and Christian traditions. He was considered the author of the Book of Enoch and also called Enoch the scribe of judgment. According to the Hebrew written tradition called Tanakh, reported in Genesis chapter 5, verses 22-24, Enoch would have been taken by God so that he would not experience death and would have been spared the wrath of the flood. And Enoch walked with God after he begat Methuselah three hundred years and begat sons and daughters. And all the days of Enoch were three hundred and sixty-five years. And Enoch walked with God and he appeared no more because God took him. There are two extraordinary aspects in Enoch's account focused on in these verses which have not been focused on in other generations: the indications in the text that he walked with God and the fact that he supposedly would not have died because God took him. These accounts were the origin of many fables and midrashim, deeper rabbinical studies of wise Jews over the centuries. Many of them were very bothered by the fact that Enoch only lived 365 years, a short life span for his time according to the book of Genesis. About this biblical character, there are also the apocryphal/pseudoepigraphic

books Book of Enoch I and Book of Enoch II which are part of the canon of some religious groups mainly the Christians of Ethiopia but which were rejected by the Christians because they were not inspired by the Holy Spirit and the Hebrews because they were particularly troublesome from the political point of view However the epistle of Judas in the biblical New Testament makes express mention of the Book of Enoch making a brief quotation in verses 14 and 15 of its single chapter According to The Book of Enoch with comparative study of the main translations there are several books attributed to Enoch three of which are the best known The Book of Enoch or Ethiopian Enoch or Enoch 1 The Second Book of Enoch or Slavonic Enoch and The Third Book of Enoch or Hebrew Enoch The best known is the first one which is included in the Ethiopian bible is considered authentic by the Jews of Ethiopia and was considered authentic by the Jews until about the year 200 having been part of the Hebrew biblical corpus until that time and having been removed by a rabbi for several reasons including politics About 200 years later St Jerome in charge of creating the Christian bible based himself on the principle of Hebrew truth which meant that the books considered authentic by the Jews from the Old Testament were authentic For this reason the Book of Enoch fell into oblivion in the West until it was found more than a thousand years later The Book of Enoch Enoch 1 was first translated and published in Brazil in 1982 The Book of Enoch is extremely controversial because it addresses sexual and racial issues One of the controversies is that of the fallen angels who descended from heaven to have sexual relations with women they considered attractive and generated giants that destroyed the Earth Another polemic is that according to one passage Adam and Eve had black children and Adam was white which indicates that Eve was black According to the account in Genesis about the age of the patriarchs Seven and their children were still alive when Enoch was taken by God as well as Methuselah and Lamech

The American Hebrew & Jewish Messenger ,1920 **The Blessing of Enoch** Philip Francis Esler,2017-06-09 In recent decades the ancient apocalyptic work 1 Enoch has been intensively explored for its historical meaning and its contribution to Israelite and Christ movement thought and identity Yet its theological meaning what it can contribute to understanding of the divine human interface today has been neglected by scholarship This is surprising given that 1 Enoch is Scripture for the Ethiopian and Eritrean Orthodox churches and has been a major influence on Christian theology experience and art in Ethiopia since the fifth and sixth centuries CE This book inaugurates a project in Western scholarship to bring 1 Enoch into theological discussion It contains a number of essays delivered at meetings in Addis Ababa Ethiopia and Cheltenham England involving scholars from Ethiopia Germany the UK and the USA The papers cover topics such as the appropriate theological response to a text that is Scripture for only some Christians the role of 1 Enoch in Ethiopian ecclesial and theological tradition the theological potential of 1 Enoch in areas such as the environment politics social justice Christology persecution the problem of evil and how 1 Enoch stimulates artistic expression today The Blessing of Enoch aims to launch a wider discussion on 1 Enoch and contemporary theology
