The Unpleasantness at Baskerville Hall Chris Dolley, 2016-02-09 Wodehouse steampunk version of The Hound of the Baskervilles Jeeves and Wooster meet Holmes and Watson with a touch of steampunk in the hilarious first full length Reeves and Worcester tale This laugh out loud parody works on several levels With razor sharp wit and fast pacing that plays fair with the reader this is an excellent genre mash up that fires on all cylinders Publishers Weekly An escaped cannibal a family curse and Reginald Worcester turning up on the doorstep Could things get any worse for the Baskerville Smythe family As the bodies pile up only a detective with a rare brain and Reggie s is so rare it s positively endangered can even hope to solve the case But there is the small matter that most of the guests aren t who they say they are the main suspect has cloven feet and a strange mist hangs over great Grimdark Mire Luckily the young master has Reeves his automaton valet and Emmeline his suffragette fianc e on hand to assist This novel is the fifth Reeves Worcester Steampunk mystery The first two mysteries were published in the ebook What Ho Automaton The first four were published in the trade paperback What Ho Automata

REVIEWS A sheer delight to read and Mr Dolley channeled Wodehouse beautifully Mary R Fairchild Dolley melds steampunk with Wodehousian manor house mystery with a dash of Sherlock Holmes and Oscar Wilde thrown in making a delightful whole that had me laughing out loud Sherwood Smith Totally awesome Elizabeth Sorenson Chris Dolley has perfectly recreated the characters and storytelling style of P G Wodehouse The Unpleasantness at Baskerville Hall is very highly recommended Midwest Book Review I haven t read a series of books in my entire life that made me laugh out loud at least four times and uncountable chuckles Every one was absolutely hilarious and certainly the best parodies of Holmes and Watson that I have come across Peter S Jasion Chris Dolley has created a pastiche that evokes as many laughs as the original Bertie and Jeeves if not more Kadlady Very clever writing and I laughed out loud Sally Evans This book is a delight It perfectly catches the spirit and the humour of the original PG Wodehouse works while adding a whole new dimension Hopback Chris Dolley does an excellent job of imitating Wodehouse s writing style and pays a bit of homage to Oscar Wilde Reading Reggie s attempts to emulate famous detectives and solve this Baskerville mystery is hilarious Laughs abounded I highly recommend this book Howard Poston

Deja Vu Halloo Chris Dolley, 2020-12-01 It s Groundhog Day 1906 February 2nd is stuck on repeat and only our intrepid trio appear to have noticed Emmeline senses the meddling of a higher power possibly her aunt Reggie s sure it ll be the handiwork of the subterranean horror one least suspects And Reeves considers it all most disturbing Can our heroes save the world from perpetual winter And could ending the time loop be just the start of an even thornier problem This short novel is the sixth Reeves Worcester Steampunk mystery and is set a few months after The Unpleasantness at Baskerville Hall A fun blend of P G Wodehouse steampunk and a touch of Sherlock Holmes Dolley is a master at capturing and blending all these elements SF Revu Another terrific addition to this hilarious series about Reggie and the indefatigable Reeves plus the delightful Emmie who is as zany as Reggie facing down a time loop a squadron of aunts

and don't forget The Mustache Sherwood Smith author of CROWN DUEL Chris Dolley's steampunk Reeves and Worcester mystery series is always a delight but Deja Vu Halloo sets new heights of insane brilliance Give yourself time to savor the delightful absurdity Patricia Rice author of the School of Magic series I love this It's great fun Jennifer Stevenson author of Trash Sex Magic

Resonance Chris Dolley, 2005-11-05 I have read a lot of science fiction and have gone through tons of plots so when I find one that is unique I certainly take notice Resonance is one of those books that has it all Interesting plot with plenty of mysteries and twists characters you care about and solid writing that strings it all together Jeffrey Miller Graham Smith is a 33 year old office messenger To the outside world he's an obsessive compulsive mute weird but harmless But to Graham Smith it's the world that's weird And far from harmless He sees things other can't or won't He knows that roads can change course people disappear office blocks migrate across town all at night when no one's looking Only by following a rigid routine can he lessen these effects If he walks the same route to work every morning and catches the same train and keeps himself to himself then there's a good chance his house will still be where he left it when he returns home in the evening Then he meets Annalise Mercado Annalise Mercado hears voices Sometimes she thinks they're spirit guides sometimes she thinks she's crazy But then they start telling her about Graham Smith the danger he's in and how only she can save him So begins the story of two people whose lives appear fragmented across alternate realities And how together they hold the key to the future of a billion planets

REVIEWS Resonance is a tremendously accomplished book and immediately raises Dolley into the ranks of writers to watch It's a head over heels romp through ever changing realities crammed with great set pieces excellent hooks and some nice one liners Keith Brooke Infinity Plus This is one of the most original new science fiction books I have ever read In fact as an inspired new take on a familiar SF idea it's original enough to stand comparison with The Time Traveler's Wife or Memoirs of an Invisible Man If it is as big a hit as it deserves it may well be this book which becomes the standard by which SF stories about are judged Marshall Lord you get carried along thinking the story is going one way and off it veers in another direction I don't know about you but I like being surprised by a story I enjoy having an author keep me interested in the story and caring about the characters Dolley does a great job of pulling all the elements together to keep you reading Highly recommended Gayle Surrence SFRevu An exceptional first novel Robert M Tilendis Rambles

RESONANCE is outstanding creating unique believable protagonists and compelling readers to follow along in an outstanding adventure Midwest Book Review I loved Resonance the writing is clever the concepts are ingenious and the characterizations are first class Both Graham Smith and Annalise Mercado stick with you as people long after the book is finished And with all the stories I read that is amazing Jerry Wright Bewildering Stories

An Unsafe Pair of Hands Chris Dolley, 2011-07-19 I gave up sleep so that I could read to the surprising and satisfying ending I laughed out loud in public in response to the quirky plot twists An Unsafe Pair of Hands by Chris Dolley is a masterful addition to the British mystery genre Barth Siemens Peter Shand is the safe pair of hands a high flying police administrator seconded to a quiet rural CID

team to gain the operational experience he needs for promotion On his second day he's thrust into a high profile murder case A woman's body is discovered in an old stone circle with another woman buried alive beneath her The pressure on Shand is enormous The media is clamoring for answers but everything about the case is baffling Then a local journalist singles out Shand as the reason for the lack of progress and goads him at a press conference Shand responds by inventing a lead and keeps on lying to the press his boss his team telling himself that he'll solve the case before anyone finds out And then another murder occurs And had there been a third Shand begins to doubt his ability He's desperate increasingly unpredictable pursued by an amorous psychic and somehow gaining a reputation for arresting livestock Which will break first The case or Shand Chris Dolley is a New York Times bestselling author

Truth Lies Bleeding Chris Dolley, 2025-03-18 A riveting crime thriller from a New York Times bestselling author Mathew Sedley returns home to his isolated cottage to find a dollhouse in his hallway It's a perfect replica of his home inside and out except that this dollhouse has a miniature figure of a woman lying in a pool of blood on the spare bedroom floor A sadistic serial killer is terrorising rural Somerset Each murder is heralded by the discovery of a dollhouse an exact replica of the place where the body will be found And every dollhouse is discovered by the same person Mathew Sedley The police are convinced he's involved in the killings He may have an alibi for the first murder but he also has history Mathew Sedley is not someone to be trusted The only person who appears to believe in him is Lauren an out of work actress with a passing relationship with the truth She inserts herself into Mathew's life saying she's going to help him prove his innocence but she seems as interested in publicity as she is in detection Is Mathew Sedley a killer a scapegoat or the final victim

[The Aunt Paradox](#) Chris Dolley, 2014-06-09 HG Wells has a problem His Aunt Charlotte has borrowed his time machine and won't give it back Now she's rewriting history Reggie Worchester gentleman's consulting detective and his automaton valet Reeves are hired to retrieve the time machine and put the timeline back together But things get complicated Dead bodies start piling up behind Reggie's sofa as he finds himself embroiled in an ever changing murder mystery A murder mystery where facts can be rewritten and the dead don't always stay dead This 100 page novella is the third instalment in the Reeves and Worchester Steampunk Mysteries A fun blend of P G Wodehouse steampunk and a touch of Sherlock Holmes Dolley is a master at capturing and blending all these elements More than fascinating this work is also rip roaring fun SF Revu

French Fried: one man's move to France with too many animals and an identity thief Chris Dolley, 2010-06-24 New York Times Bestseller Animals behaving badly other people's misfortunes and the most bizarre true crime story ever French Fried is the unfortunately true account of Chris Dolley's first eight months in France and has been described as A Year in Provence with Miss Marple and Gerald Durrell Just when Chris and Shelagh think nothing more could possibly go wrong they discover that Chris's identity has been stolen and their life savings all the money from their house sale in England that was going to finance their new life in France had disappeared A bank account had been opened in Chris's name in Spain to take the proceeds Then they're abandoned by the police forces of

four countries who all insist the crime belongs in someone else's jurisdiction The French say it's an Irish crime as that's where the money was held The Irish say it's French as that's where all the correspondence came from The British say it's nothing to do with them even though forged British passports were used to open the bank account in Spain And the Spanish are on holiday and can't even think about investigating any bank account for at least four weeks So Chris has to solve the crime himself But unlike fictional detectives he has an 80 year old mother in law and an excitable puppy who insist they come along if he's going anywhere interesting like a stakeout

REVIEWS This was a fantastic read It had me laughing so much that I nearly got relegated to the sofa Once I had started reading this book I could not put it down I was even quite happy to miss my favourite TV programmes Bookmarked When I downloaded this book this morning I had every intention of putting it on my phone and reading it in dribs and drabs And now I appear to have finished the book The best thing about French Fried is it's sense of humour warm self deprecating and very British Literally laugh out loud in several places I'm glad I'm the only one home

Librarything Chris Dolley's humour reminds me of James Herriot at times with my husband shushing me in the middle of the night I could not put this book down and enjoyed it immensely The characters especially Nan were life size

Salammi **Medium Dead** Chris Dolley ,2011-06-07 I was hooked by the end of page one and laughing out loud by the middle of page two Finally a new author as witty and sassy as Janet Evanovich Lark Susak

Medium Dead is a fun urban fantasy chronicling the crime fighting adventures of Brenda a reluctant medium and Brian a Vigilante Demon with an impish sense of humour Think Stephanie Plum with magic and a dash of Carl Hiaasen Brenda Steele is smart funny and out of her depth A Vigilante Demon called Brian wants her to find murdered spirits and help him track down their killers But Brian doesn't just catch criminals he likes to play with them first and make the punishment fit the crime As he tells Brenda if all you did was turn up capture the bad guy then leave century after century you'd die of boredom He's also reckless his last partner died during one of his takedowns Along the way Brenda discovers that Brian isn't as old or as powerful as he led her to believe He might even be human Whereas the murderer they're hunting and the child he's holding prisoner might not
