great contacts great work and the promise of an even greater future But what Jennifer did not have was a happy life or even the ability to understand what happy meant A single woman who did not know what it was like to have a love relationship she was haunted by a deepening despair She toyed with therapy but Jennifer the daughter of a shrink was convinced that she was beyond help Then she met Dr David Cohen and discovered something worse than depression Believing she had finally found someone to trust completely Jennifer allowed herself to get sucked into Dr Cohen s world What followed is a chilling tale of fraudulent therapy that is enthralling and horrifying from its skillful beginning to its shocking conclusion *Gone Missing* Dave Hammer,2022-07-15 Dusty Burns and his friends are on the run from his loan shark They manage to escape after a long and dangerous car chase but for how long Just when they think they ve made it to safety his friends mysteriously vanish While searching for them Dusty stumbles onto the loot from a recent bank robbery He turns it over to the police right out from under the noses of the gang who stole it Now he has two nasty groups on the hunt for him Will Dusty get away unscathed And will he ever find his missing friends *Miriam, the Avenger; Or, The Missing Bride* Emma Dorothy Eliza Nevitte Southworth,1874 **Archibald Lox Volume 1: The Missing Princess** Darren Shan,2020-10-18 The start of a thrilling new fantasy series by the New York Times bestselling author of *Cirque Du Freak* A brisk entertaining tale that unfolds in a wonderfully bizarre world Kirkus When a young locksmith finds his way into the Merge he discovers a parallel universe filled with an infinite number of unique remarkable worlds Setting off on the adventure of a lifetime he soon makes allies and friends but must also overcome the threat of cold blooded killers ravenous hell jackals evil Empresses and more As his skills develop he finds himself part of a perilous mission to save a realm from the forces of tyranny but he holds the key to its success or failure and he fears he might not be up to the task The greatest challenge of his life awaits This is the complete Volume One bringing together and presenting as a single story the first three novels *Archibald Lox and the Bridge Between Worlds* *Archibald Lox and the Empress of Suanpan* and *Archibald Lox and the Vote of Alignment* I read quite a lot during lockdown but nothing made me smile quite as much as these first three instalments in the Archibald Lox series *The Bookbag* A masterwork of atmospheric writing I would not hesitate to recommend *Archibald Lox The Missing Princess* to fans of Shan s existing back catalog of thrilling dark fantasy adventures as well as newcomers to the shadowy side of paranormal and magical fiction Readers Favorite Shan has created an alternative world that is extraordinary and imaginative with fantastical creatures that both delight and horrify A soon to be fantasy classic *The US Review of Books* *Archibald Lox The Missing Princess* is fantasy mystery and a coming of age story all in one It s a gripping saga that will be appreciated not just by young adult audiences but by adults who enjoy other strong YA authors who create fantasy worlds appealing to young and old alike *Midwest Book Review* The Archibald Lox series is exactly what the world needs right now It is inventive magical and fantastical terrifically readable and a lot of fun *Addicted to Media* Filled with fantastic characters true to form description and Shan s distinct writing style Archibald Lox is sure to enthrall readers of all ages *The Haunted Wordsmith* High fantasy

that allows you to step away from the real world and into a vivid space of wonder The Reading Corner For All Perfect for fans of adventurous fantasy stories Mind of Luxe I loved everything about the story and can't wait to see how it continues Rajiv's Reviews I believe that the Archibald Lox series has the potential to be the author's best work since The Saga of Darren Shan it has the magical dream-like overtones of Lewis Carroll's Alice books and the captivating world-hopping drama of Philip Pullman's His Dark Materials I can't recommend it highly enough perfect for fantasy fans of all ages Books Films Random Lunacy Missing Persons Gayle Greene, 2017-10-18 Missing Persons is a memoir about dealing with death in a culture that gives no help As the last of her family Greene's losses are stark first her aunt then her mother in quick succession She is as ill-equipped for the challenges of caring for a dying person at home as she is for the other losses long repressed that rise to confront her at this time the suicide of her younger brother the death of her father As the professional identity on which she's based her selfhood comes to feel brittle and trivial she is catapulted into questions of who am I and what have I done with my life The memoir is structured as an account of her mother's and aunt's final days and the year that follows a year in which she reconstructs her life This is a powerful story about family what it means to have one to lose one never to have made one and what if anything might take its place It's the story of a vexed mother-daughter relationship that mellows with age It is also a search for home as the very landscape shifts around her and the vast orchards are dug up and paved over for tract housing strip malls freeways and the Santa Clara Valley once known as the Valley of Heart's Delight is transformed to Silicon
