Van De Walle, 2017-03-14 Holiness is experiencing a renaissance both within and beyond the church today Based on years of conversations with students this approachable theological introduction to the Christian doctrine of holiness challenges the commonly held idea that holiness is primarily a moral category The author explains that holiness is grounded not in ethics but in the basic nature of God it is essentially and exclusively a divine property The book highlights the Bible s necessary and corrective role in defining holiness and shows how individual holiness is grounded in the community that is the church catholic **The Ethics of Superintelligent Design** Paul Golata, 2018-03-07 Artificial intelligence AI permeates Google searches the personal assistants in our smartphones and is all over our newsfeeds Watson s machine learning has already started to revolutionize many important industries including oncology law finance and entertainment The idea that man is about to increase his immediate surroundings with exponential gains in the level of intelligence over the coming generations is based upon a technological revolution and the potential for artificial superintelligence ASI It is within this context that

there is a prevailing need for a discussion of its ethical implications As a Christian ethicist Paul Golata believes that the need for this conversation to be informed by Christian principles is imperative ASI is a move toward the proper handling of information However how a society interprets and applies this information is actually more pertinent than the raw amount of information it possesses This important ethical conversation is being led by humanistic thinkers who assume that all of reality is just matter in motion and that mind is nothing more than electrochemical activity in the wetware of human brains The Ethics of Superintelligent Design critically examines and challenges some of the most important trajectories of ASI while upholding the authority and inerrancy of the Bible the supernatural creation account a realistic view of the state of humanity and biblical ethics *Acting the Miracle* John Piper,David Mathis,2013-09-30 Sanctification noun sa k t f k shn a big word for the little by little progress of the everyday Christian life Fighting sin is not easy No one ever coasted into greater godliness Christian growth takes effort But we are not left alone God loves to work the miracle of sanctification within us as we struggle for daily progress in holiness With contributions from Kevin DeYoung John Piper Ed Welch Russell Moore David Mathis and Jarvis Williams this invigorating book will help you say no to the deception of sin and yes to true joy in Jesus

The Pursuit of Holistic Holiness Daniel Spurgeon Tankersley,2020-10-15 The greatest pursuit in life is holiness Without holiness no one will see the Lord Heb 12 14 Unfortunately individuals churches even entire denominations often practice distorted spiritual formation As a result spiritual growth is hindered personal witness is damaged the Great Commission is inhibited and God is dishonored The solution to distorted spiritual formation is a holistic approach centered on the Great Commandment The Pursuit of Holistic Holiness provides a biblical theology of spiritual formation identifies pitfalls of imbalanced spiritual growth and offers practical solutions to help Christians recognize and overcome deficiencies in the transformation process Whatever your spiritual maturity level this book will facilitate your path forward The pursuit of holistic holiness has the potential to spark a reformation in the Church **Cross-Cultural Missional Partnership** Joshua Bowman,2023-03-28 Cross cultural partnerships in today s global environment are both challenging and necessary Misunderstanding and miscommunication often lead to conflict between culturally diverse groups Christians must understand and evaluate their own culture the culture of others and the text of Scripture itself while remaining faithful to Scripture and relevant to culture Unmediated tensions combined with relational isolation lead to a myriad of problems This study proposes cross cultural missional partnership as a relationship that mediates these tensions thereby encouraging mutual faithful engagement in the mission of God Cross cultural tensions may never disappear but within a healthy partnership partners can assist one another in understanding and responding faithfully to Scripture Partners help one another more faithfully interpret and apply Scripture leading to obedience to God s will and engagement in God s mission within unique and diverse contexts
