Thinking In Pictures The Making Of The Movie Matewan:

Thinking In Pictures John Sayles, 2003-07-03 What choices creative practical and technical make a movie what it is Here a gifted writer and filmmaker takes us behind the camera and provides a full description of the movie making process When John Sayles turned from writing fiction to making movies he did so with little help from Hollywood Return of the Secaucus Seven Sayles s first movie as director and writer was produced with 60 000 of his own money Many films later he still works outside the studio system and guides every phase of his productions Now Sayles has written an illuminating book about the complex choices that lie at the heart of every movie Using the making of his film Matewan as an example he offers chapters on screenwriting directing editing sound and more Photographs sketches and the complete shooting script illustrate this engaging account of how Sayles s curiosity about a coal miners strike in the town of Matewan West Virginia became a screenplay and then a movie John Sayles, Filmmaker Jack Ryan, 2014-01-10 In 1980 art house audience word of mouth about an unusual new movie Return of the Secaucus Seven launched the career of director John Sayles and with him the era of the independent filmmaker Sayles has remained a maverick writing directing editing and even acting in his own films This fully updated revision of the author s 1998 first edition chronicles Sayles entire career including the story of his inauspicious beginning as a second string actor and his work in fiction theatre music videos and television A chapter is devoted to each of Sayles feature films offering background material on production funding a plot sketch an analysis of important characters and a look at the language setting and politics Each chapter also traces Sayles technical development his camera work editing musical arrangement and mise en scene The book includes a complete filmography and a bibliography

Contemporary American Independent Film Chris Holmlund, Justin Wyatt, 2005 From Easy Rider to The Blair Witch Project this book is a comprehensive examination of the independent film scene Exploring the uneasy relationship between independent films and the major studios the contributors trace the changing ideas and definitions of independent cinema and the diversity of independent film practices They consider the ways in which indie films are marketed and distributed and how new technologies such as video cable and the internet offered new opportunities for filmmakers to produce and market independent films Turning to the work of key auteurs such as John Sayles and Haile Gerima contributors ask whether independent filmmakers can also be stars and consider how indie features like Boys Don t Cry and Shopping for Fangs address issues of gender sexuality and ethnicity normally avoided by Hollywood For all students of film studies and American studies this cultural journey through independent film history will be an absolute must read **Cutting Rhythms** Karen Pearlman, 2012-08-21 How does a film editor make decisions about where and when to cut in order to make a film feel right Generally speaking the answer is it s intuitive which is accurate but leaves one wanting to know more Cutting Rhythms breaks down the definition of intuition to find that even if rhythmic thinking is intuitive thinking we can still say more than we just know This book offers possibilities rather than prescriptions It presents questions an editor or filmmaker can ask

themselves about their work and a clear and useful vocabulary for working with those questions Cutting Rhythms makes ideas about rhythm in film editing clear and accessible so that you can do more than just imitate editing you've seen on TV With this book you'll develop your own sense of rhythm refine our rhythmic shaping skills and increase your creativity and in so doing become a better filmmaker
